

Teachers Reject Final School Board Proposal

Negotiators Agree To Fact Finding 1968-69 Master Contract Is Extended to Daily Basis

By HENRY CANTIN
ANP Staff Writer

ROMULUS—Negotiations on a new 1969-70 employment contract for teachers of the Romulus Community School District are "deadlocked."

A final offer proposed by the Romulus Board of Education on Thursday, Aug. 20, was unanimously rejected by the schools' 250 plus teachers in a meeting held Monday afternoon at the Romulus Progressive Hall.

Negotiators representing the Board of Education and the Association have jointly agreed to fact finding.

The Romulus Education Association filed a request last Thursday with the State Labor Mediation Board to schedule a state fact finding hearing. Wade Jones, chief negotiator for the Association's team, announced.

William E. Jakad, chief negotiator for the Board of Education, agreed to the fact finding hearing. He said the fact finding talks upon request of both parties when talks reached a stalemate several days ago.

The 1968-69 Master Contract by agreement has been extended on a day to day basis with the privilege of a

24-hour cancellation on the part of either party.

THE FINAL offer both as to non-economic issues and salary and fringe benefits made by the Board of Education is as follows Jakad disclosed:

Teachers with Bachelor of Arts degrees, starting salary, \$7,400 with a 10-step maximum of \$11,875.

Teachers with Master of Arts degree, starting salary, \$8,400 with a 10-step maximum of \$14,400.

THIS IS an increase of \$500 to \$1,075 for holders of BA degrees, and a boost of \$300 to \$1,200 for MA

Safe Holiday Driving

Area traffic law enforcement officials Monday issued a joint plea for care and caution when driving on Michigan Highways during the Labor Day holiday.

officers from motor vehicle inspection lanes which will not be operated during the period.

FACILITATING SPEED law enforcement for the troopers will be use of VASCAR (visual average speed computer and recorder), an electronic computer which the State Police have been incorporating into their patrol activity since last spring.

Dauids emphasized that all police patrols do what they

can to hold the line on traffic accidents but pointed out that motorists too must help by policing their own driving if traffic deaths and injuries are to be substantially reduced.

The director stressed that Labor Day weekend, the state's worst holiday period for traffic deaths, recorded tolls of 51 last year and 48 in 1967. Of the five major holiday periods, Labor Day weekend had the highest average of 38 deaths in the five years 1964-68.

STATE POLICE patrols will be operated from noon Friday, Aug. 29 until midnight Sept. 1.

They will provide maximum coverage during the hours from 3 p.m. to at least 9 p.m. daily. Particular attention will be devoted to highway sections with bad accident history.

Township Resets Meeting

ROMULUS—The regularly scheduled Romulus Township Board meeting set for Sept. 1 has been postponed because of the observance of Labor Day, Roderick E. Smith, supervisor, announced.

The meeting will be held on Sept. 8.

He also stated that henceforth all meetings of the Township Board will be held in the Water and Sewer Building, located at 36515 Bibbins Street.

The reason for the change in the Board's meeting place was prompted by the need of a better and larger seating arrangement and better acoustics.

INSPECTING DAMAGES—The Helping Hand Thrift Shop, located in the basement of the Old Cory School, 7335 Washington, was burglarized and ransacked during the Aug. 15-17 weekend. Wayne County Road Patrol detectives are investigating the Break-in. Above are two volunteers at the shop inspecting damages they are Mrs. William Pritula and Mrs. James Blanton. Note the donated clothing spilled about the floor.

EXPLAINING HER PAINTING—Ellis B. Merry, chairman of the executive committee of National Bank of Detroit, listens with compound interest as Cynthia Elwart, 10, explains her painting "Love of Our Capitol." Cynthia and Elaine Oram, 11, are two of the young artists whose work is on display through Aug. 29 in the lobby of NBD's Main Office. Children between the ages of five and twelve were given the theme "Love—whether it be love of country, community, family, friends, pets, or nature" on which to base their work in the fourth annual art competition sponsored by the Central Business District Association. Cynthia lives at 37511 Huron River Drive, Romulus, and attends St. Aloysius School in Romulus. Elaine, of 259 Piper, attends Detroit's Guyton School.

FOR FIRST TIME

Romulus Schools Appoint Elementary Secretaries

ROMULUS—The Board of Education of the Romulus Community School District approved the appointment of secretarial personnel at elementary schools.

The Board's action is the first in the history of the school system relative to hiring elementary school secretaries.

The program started Aug. 25, William E. Jakad, assistant superintendent, reported.

In addition to the secretaries assigned to the district's seven elementary schools, several other secretarial-clerical positions have been filled.

Following are the new employees and their assignments:

Jane Scott, Secretary, Beverly School; Mary Eaton, Secretary, Cory School; Nancy Wood, Secretary, Gordonier School; Grace Okonkowski, Secretary, Harrison School.

Shirley Bilznik, Secretary, Hayti School; Crystal Redlin, Secretary, Mt. Pleasant School; Marilyn Vaught, Secretary, Romulus Elementary School; Rena Gibelyou, Secretary, Romulus High School; Susan Wahrman, Secretary, Special Services.

Board Office Secretaries: Reta Henneberry, Secretary to the Federal Coordinator; Cheryl Hogan, Administrative Clerk; and Elizabeth Lindsay, Assistant Bookkeeper.

Shafers Initiate Twin Drive-In

WAYNE—Martin and Charles Shafer of the Wayne Amusement Company, Inc., announce that ground breaking ceremonies for the new Wayne Twin Drive-In theatre will take place in the near future.

The Wayne Twin will consist of the current Wayne Drive-In, located at 38547 Michigan Avenue just west of Newburgh and a new theater to be constructed on the same site.

It will be the first twin drive-in theatre in the metropolitan Detroit area and possibly the only one of its kind in the world.

It will be erected at a cost of \$750,000 and will have a capacity of 1,000 cars in each one of the twin theatres.

The new structure will feature two curved screens over ten stories high, four double box offices, completely air-conditioned snack bar with electric eye doors to permit easy exit for patrons carrying trays and many other up-to-the-minute features.

The twin drive-in will be built on a 33 acre site. The building housing the concession stand and rest rooms will be 150 feet long and 125 feet wide, centrally

located to serve patrons from both the east and west twin units.

Over 100 food and beverage items are to be offered. In addition to traditional snacks such as popcorn, candy and hot dogs, there will be full course dining available before or during showtime, with fried chicken, pizza, shrimp and many other items on the menu.

All weather tables and chairs will accommodate over 100 persons on the huge patio at the side of the concession building.

Homeowners Group Picnic Attracts 650-750 Residents

ROMULUS—Fox Woods at Lower Huron Metro Park was the setting last Sunday, Aug. 24, for the first Romulus Homeowners Picnic. Despite the 90 degree-plus temperature, approximately 650-750 men, women and children were on hand for the occasion.

This is particularly significant because it resulted in 120-plus, new or renewed memberships in the Homeowners Association. This indicated to Homeowners Association officials a renewed interest on

the part of Romulus Homeowners on what is happening in Romulus government, schools, recreation programs, and generally how home owners can keep pace with "growing pains".

THE MEMBERSHIP indicated by their questions at the picnic their doubts about the efficiency of present programs, or advisability of some of these same programs.

As a "non-partial; non-racial; self-preservation" minority in a heavy

industrialized and commercialized zoned area, the most frequently asked question was, "What are our rights?"

These will be answered in later releases to the Romulus Roman and at the Romulus Homeowners meetings. Officials commenting on the successful picnic said:

"Granted, with our first try, we couldn't please everyone and have a smooth operation, but from calls, conversations, and comments, we are finally on the right track to get citizens' co-operation."

THE FUN SIDE of the picnic was, clowns, balloons (filled with water and the children bombarding each other) Darts, the ringing of horseshoes hitting the stake (didn't take a count on all the ringers, softball, volley-ball the very slow tedious refreshment lines (we learn by our mistakes—), tattooed kids and adults.

In general a good, enlightening time and enthusiasm in the potential of a well-organized and active group was evident every where.

Romulus Store is Robbed

ROMULUS—Wayne County Sheriff Road Patrol detectives along with Romulus Police are investigating an armed robbery at the Kratz Market, 37590 Huron River Drive.

Police reported that two men, described as Negroes entered the store at 8:50 p.m. last Friday, Aug. 22.

One man armed ordered the store owner Albert Ginski of 36915 Ferndale to the rear of the store and then the other approached Miss Catherine Wilson, of 38339 Walnut Drive, clerk-cashier, to hand over the money. They escaped with \$150 to \$200 after locking both in the cooler. They called police.

Early Deadlines Set For Labor Day

Early news and advertising deadlines for all issues of the Associated Newspapers will go into effect for the Labor Day holiday, Monday, Sept. 1.

All offices of the newspaper group will be closed that day. This includes the Wayne Eagle, Westland Eagle, Garden City Guardian-Review, Inkster Ledger-Star, Canton Eagle, Belleville Enterprise and Romulus Roman.

Deadline for news and display and classified display advertising will be 12 noon Saturday, Aug. 30. Classified liners will be taken until 11 a.m. Tuesday, Sept. 2.

NEED HELP AND EQUIPMENT

Lake Clean-Up Project Is Started by Two Area Groups

BY EDWARD SHUMBERA

BELLEVILLE—A program for Belleville Lake is underway. A break-through has been finally made in Van Buren Township and the City of Belleville. The Huron Valley Conservation Association and the Belleville Jaycees have initiated a start on the Project, "Belleville Lake Clean-up."

This joint effort is a cooperative one because officials of the two organizations want Belleville Lake cleaned up.

The Belleville Lake Clean-up Project is not only confined to these two groups, it is open to the residents, non-residents, and any other organization who wish to make this only inland lake in Wayne County, a safe, and beautiful lake.

THERE ARE certain areas of the shoreline which are in need of heavy equipment to

remove fallen trees, etc. The trash from the islands will have to be hauled away. Do we have any takers? was the plea of these volunteers.

There will be a lot of people saying, why should we! We pay taxes and yet we cannot use the lake. If we own a boat there is no place on the lake available to us to put the boat in, except the township launch site, and you still have to pay a fee to use it.

Then there are the people

who do not own a boat, who do not have a place on the shoreline to even fish from, because it is all privately owned, are comments heard says one official.

This may all be true, but when you do not like something, you try to do something about it. A letter to your local paper for the Letter To The Editor Column, or letters to the city and township officials. Then there are also your state officials.

THERE HAS been talk about state aid and possibly Federal Aid. But, how can this all be had, when there is no public site on Belleville Lake and may never be one, because there are people who do not want outsiders. So this proves the point that outside money cannot be used for a private lake.

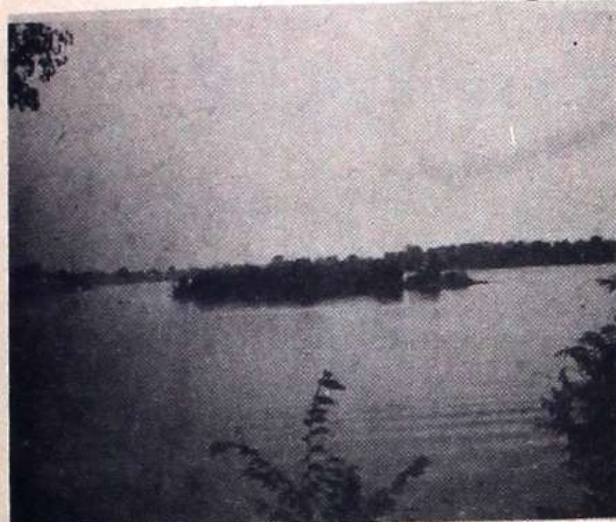

This writer's views may not be in agreement with others, yet there are others who will agree. What group has the majority remains to be seen.

This has not stopped the Jaycees and H.V.C.A. from bettering the community in their effort to clean-up Belleville Lake

Their individual thoughts, have not stopped them from working together. They believe that this is a pretty good place to live. HOW ABOUT YOU??

All interested parties, may contact the Belleville Jaycees or the Huron Valley Conservation Association.

The Upper St. Lawrence River usually is frozen from December until April.

STARTING POINT—Fireworks Island, site of Belleville's annual Fireworks Display, is shown above. It was the starting point of a Lake Clean-Up Project of the Belleville Jaycees and area members of local conservation association. The view is from the west end of High Street.

Guild Schedules Registry

NEW BOSTON—The Mothers Guild of St. Stephen's Catholic Church of New Boston has announced that the first meeting and re-registration of all children planning to attend the 1969-70 school year at St. Stephen's School will be held on Aug. 27.

The meeting and re-registration will be held at the school beginning at 7:30 p.m., Mrs. Betty Johnson, guild chairman, announced.

Township Asking Bids on Vehicles

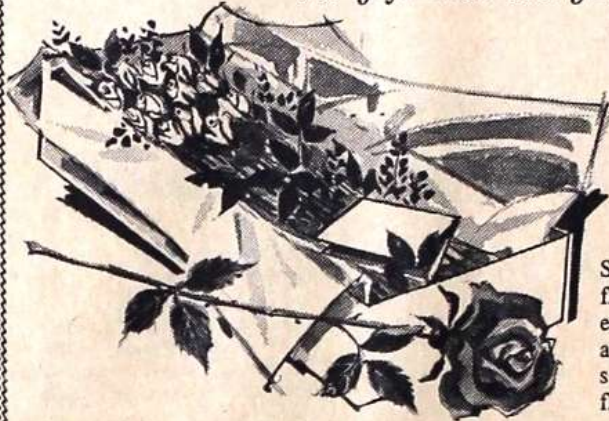

ROMULUS—Sealed bids for the sale of two vehicles by Romulus Township are being accepted.

The vehicles, a 1965 Ford one-half ton pickup and a 1965 Ford two-door sedan, may be inspected at the Water and Sewer Building, located at 36515 Bibbins Street. Bids must be in by 5 p.m., Sept. 5.

Let's face facts. Live drivers are safe drivers. Whether you think you're the world's greatest driver or not, there's always the other guy. The guy who runs the light, who drinks too much, who didn't see the sign. Over the holiday, there are always more of them. And the only way to avoid serious accidents is to be a careful driver. Van Buren Schedules Bookstore

BELLEVILLE—This year's schedule at the Belleville High School Bookstore has been announced by Manager Douglas Brown.

The schedule is for students in grades nine to 12. Textbooks in the elementary schools will be distributed in class. The days and hours at the Bookstore are:

Thursday, Aug. 28; Grade 9, from 9 to 11:45 a.m.; Grade 10 only, 1:15 to 3:30 p.m.

Friday, Aug. 29: Grade 11, 9 to 11:45 a.m.; Grade 12 only, 1:15-3:30 p.m.

Monday, Sept. 1 Labor Day. No Sales.

The Bookstore will be open from 8 a.m. until 12 noon every school day, Brown said.

Traffic Fatality Probed

BELLEVILLE—The Wayne County Road Patrol detectives are investigating the traffic death of an 18-year-old Belleville youth who died in the Wayne County General Hospital last Friday afternoon (Aug. 22) from injuries received in a car accident at Judd and Waltz Roads.

He is Johnny E. Mayfield, 18 of 21804 Fenster Road, a passenger in a car driven by Virgil Dunsford, 17, of Belleville. Police reported that Dunsford lost control of his car and left the road.

What's a nice car like you doing in a sale like this?

Pity the poor car that's loaded with banners, signs and stickers at model closeout time. You'll never find one of our beauties plastered with promises. It's so unnecessary. When all a car buyer really wants is straight fact. So without any ballyhoo, here's what we have.

Year-end prices. To meet... or beat... the competition. Great selection. Whether it be Chrysler or Plymouth, we probably have just what you want—in stock. Low pressure. degree holders and specialists.

"We are still approximately \$400,000 apart on the total package, Jakad said.

The REA made its first offer on May 7 last, the School Board made its first proposal since then both parties have made counter proposals without reaching settlement.

In a prepared statement the REA stated:

"We are seeking the assistance of an impartial third party after repeated fruitless attempts on our part over the past four months to receive Board consideration of our proposals," Wade Jones, senior high school teacher and chairman of the teacher negotiating team said.

THE DATE of the fact finding hearing will be announced, he noted, when a fact finder is assigned.

The State Mediation Board has indicated it will give a 10-day period for the School Board to respond, though the School Board may waive this for earlier fact finding.

"We deeply regret the Board's persistent refusal to bargain in the same spirit in which we have attempted to negotiate with them," said Jones. "In spite of repeated counter proposals on our part to the Board, we find them holding the same position in September that they held in May when negotiations for the 1969-70 school contract began."

In Jones' view the Board has shown a willingness to move backwards at a time when the community has demonstrated a desire to move forward in meeting the education needs of its children:

"WHEN ROMULUS residents approved an increased millage this year they demonstrated their desire to upgrade the quality of education in the community," said Jones. "Proposals by the Board this year, both in economic and non-economic areas are not consistent with the community's charge."

One of a team of six teacher negotiators, Jones fears that the community is in danger of losing its most talented teachers and education specialists because of failure to adequately compensate them.

Of particular concern to the Romulus teachers, according to Jones, is the problem of overcrowded classrooms-particularly on the elementary school level.

WE ARE deeply concerned about the supervision and safety of these youngsters," he said, "and we have spent a great deal of time and effort developing proposals to combat it. Yet the Board has flatly refused to seriously consider our proposals."

At the same time, continued Jones, the Board has deleted from this year's contract several items agreed upon under last year's contract as vital to quality education. These items, he said, include recognition of national and local professional education organizations and the education profession's Code of Ethics.

"Teachers can only wonder why the Board chose this year to repudiate these items," he said.

Shafers Initiate Twin Drive-In

(Continued from Page 1-A)

All tables will be equipped with umbrellas, sound speakers, and indirect lighting to assist patrons in seeing their food while viewing the picture.

According to the Shafer brothers, the advantage of a twin drive-in theatre is that it affords the public more than one choice of a movie at one location.

A few changes to the existing Wayne Drive-In and the construction of a second screen will bring about the Twin Drive-In set up. The Wayne Theatre currently holds a capacity of 1,500 cars, this will be reduced to 1,000. Charles Shafer said, "There will be one box office, one entrance and one snack bar; the only thing that will change radically is that there will be two theatres."

The Shafer brothers, owners of the Wayne Amusement Co., Inc. have become nationally-known for "firsts".

They were the first to construct the now famous Quo Vadis triple indoor theatres at the Quo Vadis Entertainment Center in Westland. Patrons there have their choice of three first run

screen features nightly and also the opportunity to enjoy the magnificent "Over 21" Club, the first and only restaurant and cocktail lounge in a movie theatre.

The Shafer family also owns and operates the La Parisien Theatre in Garden City, the Algiers Drive-In in Westland and the State-Wayne Theatre in Wayne.

Romulus' GOP Club Being Reorganized

ROMULUS--Recent organizational meetings of the Romulus Township Republican Club have raised the hopes of long dormant Republicans, disillusioned Democrats and disgruntled Independents.

The prospect of having a choice of political philosophies and candidates has captured the imagination of people representing most

precincts in the township; their ambition is to have candidates on the ballot for the next township election.

The "New" Republican Club meets each third Tuesday of the month and according to Ron Hopson, chairman, will begin promptly at 8 p.m. Vice Chairman, Jason Lovett, is also the head of the Constitution Committee. Mrs.

Glynn Vaught is the secretary and Emory Seestedt is treasurer.

MEMBERSHIP CARDS will be available at the next meeting and will cost not less than \$2 a year. Cards may be purchased from Robert Walicki or William Krueger, membership committeemen.

Ron Rice, Republican district director, (15th District) said that future meetings should be social as well as informational with

interesting speakers available through his office. It was emphasized that new members were vital and that anyone interested in a two party system in Romulus be encouraged to participate in the reorganization of the Republican Club.

Westwood Bickering Should Be Halted

Some points must be cleared up in the current controversy involving two trustees of the Westwood Board of Education and their use of district funds to attend an educational conference.

Here's a brief outline of the incident. During the spring Trustees James Collie and Otto Grau Jr. informed their fellow Board members of their intention to attend Congressman Bill Ford's annual education conference in Washington, DC.

Before they left, the two men went to the administration offices, had checks made out for expenses and countersigned them. For the third required signature they used the payroll stamp of Treasurer Mrs. Louise Lougheed—this without her knowledge.

In the meantime, the Board of Education passed a resolution stating that any purchase over \$100 must be authorized by the superintendent.

When Trustee Wesley Moore found out what happened he contacted the Dearborn Heights Police who were asked to investigate the incident. Moore claimed that the checks were unauthorized and therefore illegally drawn.

Collie's contention is that he followed the procedure that had been used many times in his years on the Board. He claims that no Board member was ever denied the opportunity of attending an educational conference and thus felt there was no need for formal approval of the trip. The use of the payroll signature stamp on such occasions is also a long-time practice, Collie says.

There's nothing wrong with Board of Education trustees attending conferences. As a matter of fact, trustees should be encouraged to take part in these, with the district picking up the tab wherever possible. Congressman Ford's educational conference is also regarded as an outstanding one and was attended by many officials from neighboring districts.

If Collie and Grau had gone to the Board for formal approval of the trips and approval of the expenditures there would be no controversy now. But over the years sloppy fiscal policies had become accepted practice in the district and the trustees were

following a long-time practice that certainly deserved to be discarded.

Some division of opinion exists as to whether the Board will be able to prove that the two men were violating Moore's \$100 limit. Moore's resolution did not appear in writing until after the two had returned when the resolution came up for approval in the minutes of the previous Board meeting.

What we have here, it seems, is a monumental mistake. There is little doubt in our minds that Collie and Grau were not seeking to maliciously extort \$255 each from the Westwood District. The money was duly used for the benefit of the district by their attendance at that conference.

Since that time policies have been considered and passed which cover most of the contingencies in this situation. The signature stamp, which at that time lay in an unlocked drawer, is now carefully guarded against misuse. It has been made quite clear to all the trustees that they are expected to seek approval from the Board for all trips and for any expenses. Thus the whole affair has had some useful effect.

Collie, now a former trustee, and Grau, who still serves on the Board, are going to fight the Board's order to return the money. They do not feel that they did any wrong and it's hard to see what the district is going to gain from a long drawn-out court battle.

On the other hand, the children of the district have already suffered twice from the controversy. There is no doubt that, breaking as it did before the second millage election, the controversy adversely affected the millage which failed by only 200 votes.

Further the controversy continues to hurt the students. In Washington, Grau established contacts with government officials who promised to help him get a radio station for Robichaud High. Some equipment is available from government surplus sources and he is seeking to raise \$5000 locally to pay for shipping the equipment and for some equipment which will have to be purchased. His campaign for a Robichaud radio station—to provide communication for the district and vocational training for students—is also being hurt by the continued controversy.

We feel that all the lessons that are to be learned from this fiasco have already been learned. It is apparently not what the trustees did that was wrong, but how they did it. Unfortunately it's one of those arguments in which everyone thinks he is right and, eventually, nobody wins. And, as always, the losers will be the kids.

Legislators, while looking out for the interests of their own districts, should see the situation as a whole, too.

State Rep. Richard A. Young, (D - 33rd District) this past week voiced his opposition to the Wayne County Community College District, since the residents he represents in Dearborn Heights do not have a campus on their doorsteps. (Young's Westland constituency are already in the Schoolcraft District.)

While he may have a valid point, Young completely overlooks the total advantage of the community college - nearby classes, and low rates, etc., for a vast majority of the County. Young's constituents are welcome and able to attend one of the campuses which are close to Dearborn Heights.

Rep. Young's present attitude is definitely quite parochial, and we hope this attitude does not extend to his other decisions about Dearborn Heights and north Westland.

In the middle of the night one night, I was literally shaken right out of my nightgown by a tremendous heaving of the bed. Naturally, this awakened me, and I found sitting on the edge of the bed my 16-year-old kid.

It's time to wake up," he whispered in a voice that would break the sound barriers.

"Have I gone blind, or are we having an eclipse?" I asked trying to peer through the gloom.

"What're you talking about?" he asked with his usual polite manner.

"What time it is?" I could clearly see I had to spell out to this kid what I was trying to hint.

"Four-thirty," he said.

"Four-thirty!" I shouted.

"Sssssshhh!" he yelped in his loudest whisper. "You'll wake Dad."

Trying to maintain my calm I hissed at the kid as to why he was waking me up in the middle of the night.

Sex Goes Up in Smoke

By Jim Fitzgerald

Knuckling under to the cancer fighters, the cigaret industry has promised to quit advertising on TV.

I truly appreciate the concern for my health, but what am I going to do for sex education?

I have been a student of cigaret commercials ever since that marvelous day, many years ago, when sexy Julie London stuck her butt from out of the dark and seductively knocked her boyfriend's ash off.

Any fool could see that Julie and friend would soon be sharing more than an ash tray.

And then there was that guy who would use his cigarets to pick up a beautiful broad in a bar. He had been giving her the eye across the room all night, twitching his eyebrows, wetting his lips and blowing in his own ear. But she wouldn't give him a tumble, until...

He put his pack of smokes on his table, in plain view, and drummed on them with a tattooed

finger nail. It was her brand and he was obviously her kind of man! She knocked down two waiters getting to our hero and demanding to know: "Your apartment or mine?"

Admittedly, these commercials are not the type of sex-smoke education that should interest a married man, especially one whose wife has to reach a silly millimeter longer than his strike. But I was taking notes for my son. I don't want him brain-washed by Smokey the Bear and the American Cancer Society. Cigarets are dangerous, no lie. But how much should a man risk to captivate a Julie London? I want my boy to be able to make an informed choice. Is it better to have loved and got a hacking cough than to not have loved at all?

And besides. Lately the cigaret commercials have been aimed at the married man and his domestic troubles. Surely you've seen that one where the beautiful gal is jogging through the park with her husband close behind. She has an oh-so-pained expression and you know she is

running away from a breaking marriage. Either that or she has a terrible chafing problem.

Jack catches up with Jill and quickly begins the soft talk. He tells her that a lot of wives have husbands who work nights, and soon they'll go away together alone and straighten things out. She doesn't believe him. Then Jack lights up a butt and blows smoke in Jill's face. And she believes, she believes.

"L & M is the cigaret for two together," the announcer says as the music plays louder and Jill lovingly bums a puff from Jack's butt.

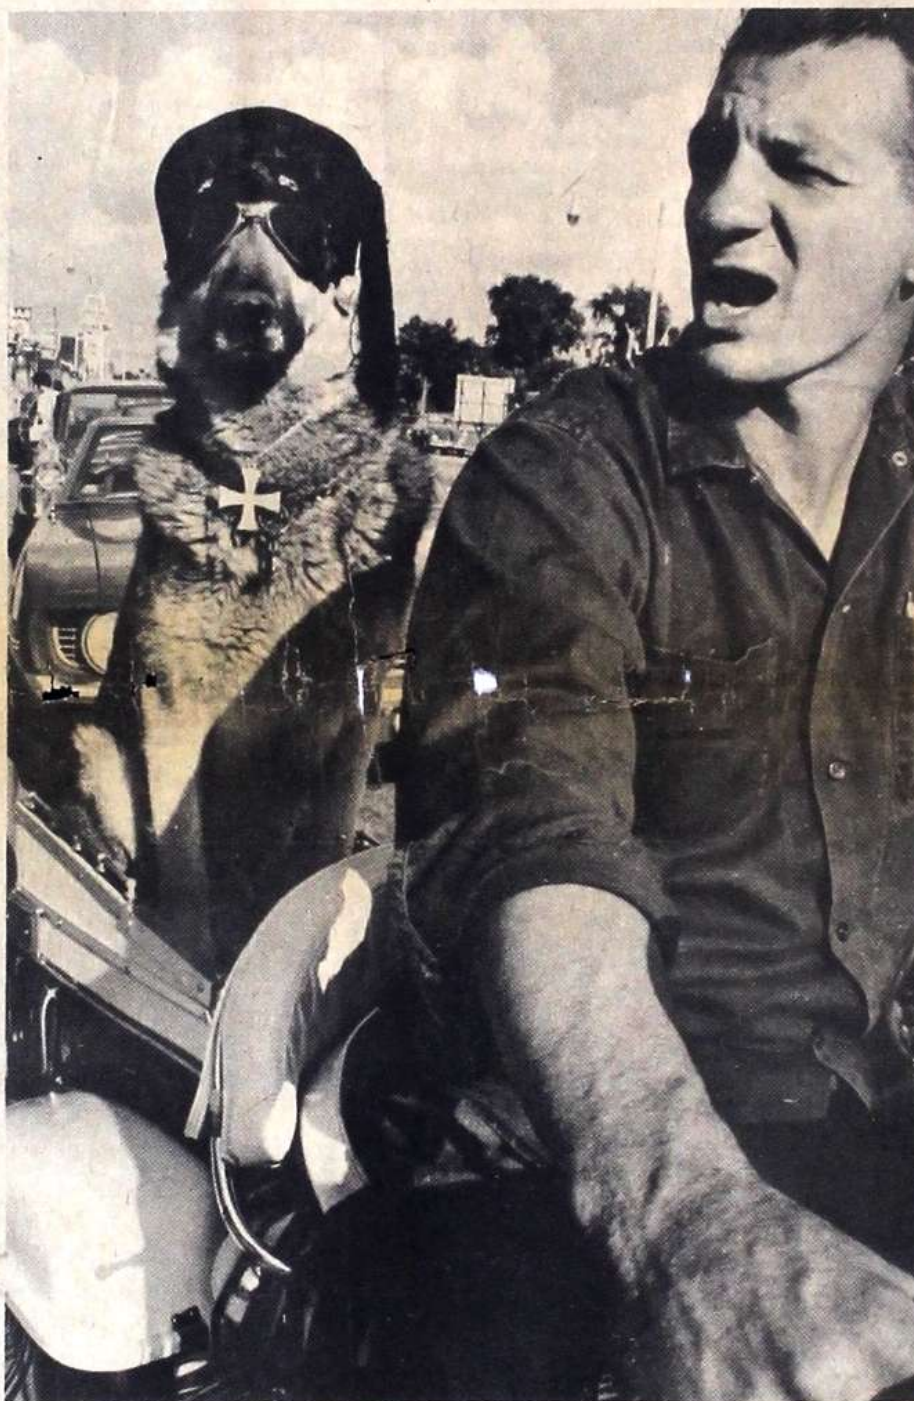

I tell you, it's like magic. I no longer smoke cigarets, but the next time the poker party lasts too long, I am going to blow cigar smoke under our bedroom door. My wife will plump my pillow. Marvelous.

How am I going to learn important things like this if there are no more cigaret commercials on TV? I hope I don't have to start watching Doris Day.

Onward and Upward.

...With a Dog Behind

50 Years Of Love And Heart

By Dick McKnight

This weekend my grandparents celebrated their 50th wedding anniversary.

There has to be something more special about that than the fact that 50 is a round number and stands for half a century. It really isn't so vastly different from 49 or 51 years, except for the zero on the end.

The something special, I think, is the fact that this society, at this moment and place in time thinks that any two people of the opposite sex who can manage to make a go of life together for 50 years, should be given all the credit that is due them.

The reason that the feat of living through 50 years of married life is so admired today is that it is believed by most of us to be a rare achievement that is difficult to attain.

Even though people seem to be living longer, as a rule, and technically, more married couples should be able to last, physically, to the golden anniversary event, there is still something just a little awesome about those rare persons to whom 50 years of marriage is something to look back on.

Perhaps it is because there are so many people who toss marriage away so easily, that a long lasting relationship between two people becomes more unusual, and hence more valuable to society.

Perhaps, too, it is thought by society, in this age of the individual, that it is a rarely found spirit of compromise and love that enables two people to overlook selfish motivations for anything like 50 years.

And then, too, few people can claim to have been married 50 years without having done one or two or three difficult things, lived through a few nightmares, and still landed on their feet. Just between you and me and lamppost—it ain't easy.

Now, let me tell you why this particular 50th wedding anniversary is special.

My grandparents were married on Aug. 20, 1919. Woodrow Wilson was the President of the United States, and the good old U.S.A. was just about to turn the corner into normalcy. The war was forgotten; grandpa had taken off his doughboy uniform for good.

It was in this setting that Carl Thomas McKnight and Edna Carpenter plighted their troth. He worked for the railroad then, on the Interurban (Who remembers the Interurban?) that ran between Grand Haven on Lake Michigan and the bustling town of Grand Rapids. Grandma was a bookkeeper, and she never forgot that talent for detail.

Later the call of the food business brought grandpa to the Kroger Co., which he served for more than 30 years. He was a store manager and an auditor, and he made a lot of friends in a lot of little and big towns across Michigan, during his official travels. When he retired they gave him a dinner and a watch, but it wasn't nearly enough.

From this marriage came three children—James, Mary Louise and Carl, who is my father. James is an attorney and has eight sons and a daughter. Mary Louise is called "Sis" and has four grown children, two boys and two girls, and my father is a bacteriologist and has five sons and a daughter. All in all, it's a creditable family, even if I do say so myself.

The facts of the situation just aren't enough, however, to describe why this particular 50th wedding anniversary is as special as any that is occurring this season. Materially, it hasn't been a bad 50 years, but most of all, it's been 50 years filled with heart.

I'm sorry that all those persons whose lives have been touched in some small way by these two very human beings could not be gathered together in one place to do them honor. No room, no hall, no vast astrodome could hold the crowds.

It is another chapter in the history of human nobility that was celebrated last week, and I am privileged to be a product of it.

"36-22-34," he gulped.

Romulus Honors Little League Baseball

BANQUET GUESTS—Some 500 parents and boys attended the annual banquet honoring Romulus Little Leaguers held Aug. 8. Above are some of the many guests at the affair. Left to right are: James Stewart, Romulus Trustee, his wife, Irene, sponsors of the "Stewarts Raiders" Mrs. Irene Bizak, and her husband, Edmund Bizak, who represented the Romulus Kiwanis Club; and Roderick E. BY
MRS. JOSEPH SPRING
OX 9-4021

Mr. and Mrs. Kenneth Mericle spent several days last week with their son-in-law and daughter, Mr. and Mrs. Gerald Statham, who have recently moved into a new apartment, "Sylvan on the Lakes", at Kego Harbor. Loralee will be teaching in the Milford school district and her husband is employed with General Motors Pontiac Division.

Mrs. Errol Gruber and children of Grand Rapids spent several days this past week with her parents, the John Tononi's of Martinsville Road.

Mrs. Alden (Nettie) Warner from Oxnard, Calif., arrived Monday, Aug. 18, for a few days visit with her sister-in-law, Mrs. Orrin R. Post and family. Mrs. Warner was enroute to Edzell, Scotland, leaving on Thursday, to spend some time with her daughter and husband, Captain and Mrs. E. W. Thomas and daughters.

Mr. and Mrs. B. P. Hopson of Belleville Road were recent weekend guests of cousins, Mr. and Mrs. Bernard, Cavanaugh, of Independence, Kentucky.

Mr. and Mrs. Paul Dubay and family of Judd Rd. returned home last Saturday, Aug. 16, after spending a week at Escanaba.

The Vinton McAtee family of West Columbia Avenue recently returned from a two week's vacation camping at Myers Lake near Byron, Wilson State Park near Harrison and Sugar Loaf Park. They also visited Mrs. McAtee's brother and family, Mr. and Mrs. Wayne Hartman, at AuGres.

George McAtee left last Sunday, Aug. 17, for Boston, Mass., after spending two weeks with his parents.

Mr. and Mrs. William F. Damske of Dearborn were dinner guests on Sunday, Aug. 17, of the latter's sister, Mrs. Joseph Spring. In the afternoon all called on Miss Grace Geiger of South Lyon.

A family get-together was held at the Farmington home of Mr. and Mrs. Dan Heuer on Saturday, Aug. 16, in celebration of the birthdays of Mrs. Heuer's mother and brother, Mrs. Mertie Schaefer of Biggs Street, and James Schaefer of Bemis Road. Others of the family present were the Frank Uchman family of Marion, Ill. Mrs. Schaefer was presented with several gifts, among them a lovely corsage from Harcas Florists.

Edmund Warner and Richard Gustafson of Bel Air, Calif., were guests Wednesday and Thursday of last week of the former's aunt, Mrs. O. R. Post. The men were enroute to Akron, Ohio, to visit Richard's parents.

Mr. and Mrs. Milton

Oakley of Bronson were calling on friends in the community last Wednesday afternoon.

On Saturday, Aug. 23, Mr. and Mrs. Lloyd Orr attended the wedding of the latter's nephew, Ronald Johnson, and Linda Opperman at the United Methodist Church in Vassar at 5 o'clock. The reception followed at the church.

Mr. and Mrs. Henry Deering, Mr. and Mrs. Merle Touse and Mrs. Winifred Gault spent several days last week at the latter's cabin at Canada Creek Ranch near Atlanta. They also made a trip to Tahquamenon Falls. Enroute they stopped at St. Louis and enjoyed a visit with a former teacher, Miss Verna DeLine.

Mrs. Orrin R. Post and house guest, Mrs. Alden Warner of Oxnard, Calif., were luncheon guests last week Tuesday of Mrs. Lawrence Thomas, of Ypsilanti.

The Fred De Graves family of Church Street has moved to Harper Creek, near Battle Creek, where Mr. De Graves has a teaching position.

Mr. and Mrs. Clay Hedges of Lakewood, Ohio, were week-end guests of Mr. and Mrs. S. C. Pierman. Miss Nancy Hedges, who had been spending the week at the Piermans, returned home with her parents.

The John T. Thompson family of High Street returned home on Wednesday, Aug. 13 after enjoying a two weeks' trailer trip in Northern Michigan and the Upper peninsula. Among many points of interest visited were Mackinac Island, Copper Harbor, Crystal Falls, Porcupine Mountains, Pictured Rocks and Fayette Ghost Town. Mrs. Thompson's mother, Mrs. Ray Van Sickle, of Ypsilanti accompanied them.

Mr. and Mrs. Richard Saunders and family and the Herbert Spring family of Plymouth were Wednesday evening dinner guests of Mrs. Joseph Spring.

Furniture Decorative Tips Aired

Does furniture have to be all one period or style? The answer used to be "yes," but not any more. American families move so often they acquire an astonishing mixture of furnishings. To go with mixed periods, manufacturers of resilient floorings now offer vinyl asbestos tile designed to tie the various styles together in a pleasing blend.

According to The Better Floors Council, these new patterns include embossed tile in pebble, mosaic and travertine that provide a good background for furniture of different periods. Made principally in off-white and beige tones, such tile goes beautifully with contemporary or traditional furnishings or a mixture of both.

The many colors of an Oriental rug - copy or real - take on an added glow when seen against a light tile floor. The woman with a variety of traditional pieces can always be confident that her furniture will look appropriate in this setting.

Contemporary colors and modern furnishings take on added brilliance against the background of a neutral flooring. The interesting textures of modern fabrics are highlighted when used with three-dimensional embossed, vinyl asbestos tile. So you see, a room CAN hold several periods of furniture. Especially with neutral colors on walls and floors, preferably in light tones.

MRS. RICHARD C. BOWEN

ENGLAND, SCOTLAND NOW JUST MEMORIES FOR PAIR

Mrs. William Graham of Liberty Street and Mrs. Emma Bawden of E. Huron River Drive arrived home on Friday, Aug. 15, following a seven weeks' visit in England and Scotland. Arriving at Prestwick, Ayrshire, Scotland, they visited Glasgow, the Robert Burns Country, and were taken to many historical places in and around Edinburgh by a relative of Mrs. Grahams, Emily Robson, remaining there a week.

Later the two ladies parted company, Mrs. Bawden going south to visit relatives in London, and a brother and his wife, Mr. and Mrs. James Rowe, at Mithian, Cornwall. Mrs. Graham went north to Inverness and Perth where she spent two weeks with her sisters, the Misses Grace and Marjorie MacGregor.

Following her visit, she then joined Mrs. Bawden in England where they were escorted to many interesting places by relatives. Among the many places visited were Land's End, St. Ives, Clovelly, and St. Michael's Mount walking to the latter when the tide was out.

The ladies report very good weather, much warmer than usual, beautiful flower gardens, and a wonderful trip.

His Name Is Jonathan Brent

Mr. and Mrs. John Ray Nairemore, of 28569 Wick road, Romulus, are proud to announce the arrival of their first child. A son, he was born August 11, at Garden City Hospital, weighed 8 lbs.-2 ozs. and measured 21 inches.

Titled Jonathan Brent, his mother is the former Diane Gray, daughter of Mr. and Mrs. LeRoy Gray, of Eureka road.

MISS LUCKE

Couple Set November Altar Date

A November wedding at St. Alfred's Catholic Church, in Taylor, is being planned by Deborah Elaine Lucke and Rodney W. Boger. Their betrothal and nuptial plans are announced by the bride-elect's parents, Mr. and Mrs. Alfred A. Lucke, of 10636 Inkster road, Romulus.

Miss Lucke, a 1968 Romulus High School graduate, is employed as a computer operator for Automatic Retailors of America, in Dearborn.

Her fiancé, son of Mr. and Mrs. Dewey R. Bell, of Fountain, Colorado, resides at 9469 Essex, Romulus. He just recently was discharged from the U.S. Marines and is now employed by Roy Green Company, in Taylor.

BOWEN-JOHNSON WED

Ecumenical Service Read At St. Anthony's Church

St. Anthony's Catholic Church was reserved Saturday, August 16, for the double ring ceremony which united Kaye Yvonne Johnson, of Belleville, and Richard Craig Bowen, of Detroit, in holy matrimony.

The ecumenical service was performed by the Rev. John B. Rose, of St. Anthony's, and the Rev. Alan Campbell, of the Bushnell Congregational Church, Detroit.

Baskets of white gladioli and chrysanthemums graced the altar for the seven-fifteen nuptials for which Mrs. Alan Campbell played traditional wedding music.

Mr. and Mrs. Verlie E. Johnson, of 10324 Quirk Road, Belleville, and Mr. and Mrs. Frank Bowen, of 18142 Fielding, Detroit, are parents of the young couple.

ESCORTED TO the sanctuary by her father, Kaye appeared in a white silk organza fashion. Designed in toe-touching length, the gown featured an empire waistline embellished with Chantilly lace and a fitted bodice with a portrait neckline and lace-banded wristpoint sleeves. Creating back interest was a lace-bordered paneled train which drifted to chapel length from the shoulders.

A delicate petaled headpiece of lace and seed pearls secured the bride's bouffant veil of silk illusion and she held a colonial bouquet of white carnations.

Apricot linen gowns were chosen by the bride's three attendants: Arlene Raczyński, of Dearborn, who was maid of honor; and Sue Bowen, of Farmington, and Denise Johnson, of Belleville, sisters of the nuptial pair, who were bridesmaids.

Fashioned in formal length, their dresses were made with three-quarter sleeves accented with lace. Their veiled headgear was in matching apricot and the baskets they carried were filled with apricot-tipped carnations.

Nine-year old Beverly Johnson served as flowergirl at her sister's wedding. Her gown was identical to the senior attendants'.

THE BRIDEGROOM asked a close friend, Tom Lamb, of Detroit, to be best man. Others on the esquire side were Gary Sullivan, also of Detroit; Phillip Johnson, the bride's brother; Robert Gill, of Detroit; and another brother, Neil Johnson.

At the reception which followed at UAW Local 898 Hall, Mrs. Johnson greeted the 125 guests in a gold brocade frock with gold and white accessories. Her corsage was comprised of gold-tipped carnations. For her son's wedding Mrs. Bowen donned

a green silk dress with white accessories and a corsage of green-tipped carnations.

The newlyweds spent a week-long honeymoon in Northern Michigan and are now at home at 22105 Cleveland, Apt. 216, Dearborn.

A 1963 graduate of Belleville High School, Kaye attended Cleary College and Eastern Michigan University. She is currently employed in the accounting department of the University of Michigan, Ann Arbor.

Her husband graduated this year from U. of M. where he was affiliated with Sigma Nu fraternity. He will be teaching in the Detroit School System this fall.

MISS GERICK

Gerick-Pleva Nuptials Set For October

St. Stephen's Catholic Church, in New Boston, is being reserved for the October 24 wedding of Judy Gerick and Paul Pleva. Their engagement and nuptial date are announced by Mr. and Mrs. William C. Gerick, of 6136 Denton road, Belleville, parents of the bride-elect.

Currently employed at Kelsey-Hayes, Romulus, Miss Gerick graduated from Belleville High School in 1965 and from Cleary College in 1966 where she earned her medical secretary's degree.

The prospective bridegroom, son of Mr. and Mrs. Edward Pleva, of 19011 Savage road, Belleville, graduated from Huron High School. He is presently an employee of Gar Wood Industries, Wayne.

Mrs. W.E. Juterbach will be the speaker for the September 8 meeting when the club will present a program on "What is a Good Flower Arrangement?" Mrs. Harold Roberts will be the hostess at 368 Church Street.

Saucy Sandwich

If the girls (those from ages eight to 80) come in for lunch, they'll be happy with a sandwich made with a single slice of bread when it's topped with a satisfying combination of foods. Use pumpernickel or rye bread, top with lettuce and Swiss cheese with mustard. Next comes a "boiled" ham slice, then thin slices of tomato garnished with slices of hardcooked egg. Serve with crisp bacon slices and Thousand Island Dressing, if desired.

Open House To Mark Hopson's Anniversary

Mr. and Mrs. B.P. Hopson, of 8090 Belleville road, Belleville, will mark their golden wedding anniversary at an open house Sunday, September 7. Their son and daughter-in-law, Mr. and Mrs. Thornton Hopson, of Detroit, will be hosts at the celebration which will be held at the honored couple's home from two until five in the afternoon. The couple requests that there be no gifts, please.

The anniversary pair was united in marriage September 3, 1919, in Chillicothe, Missouri. Their family tree includes one son and three grandchildren.

The Hopsons have been residents of the Belleville area since 1939 when they moved from Detroit. Mr. Hopson, who is retired from the Broadway Market, and his wife are members of the First United Methodist Church of Belleville. Mrs. Hopson has served as president of the W.S.C.S. and has been active in several other organizations there. She is also a member of the Huron Valley Garden Club.

Candlelight Ceremony Unites Local Couple

In a candlelight ceremony August 2 at the First United Methodist Church of Belleville, Mary Irene Hyde became the bride of Gordon Howard Van Valkenburg. Some 200 friends and relatives were assembled for the seven thirty o'clock nuptials at which the Rev. Charles W. Dibley officiated.

White carnations and gladioli graced the altar for the double ring rite.

Mary's guardians are her brother-in-law and sister, Mr. and Mrs. Robert Collins, of 11167 Borgman road, Belleville. Gordon is the son of Mr. and Mrs. Earl Van Valkenburg, of 2447 Hearthiside drive, Ypsilanti.

PRESENTED IN marriage by Mr. and Mrs. Collins, Mary appeared in a toe-touching creation designed and made by her mother. Fashioned with an empire lace bodice, three-quarter bell sleeves, and a high neckline, the gown had a crepe skirt accented by a cathedral-length lace train.

Her silk illusion veil, cut in mid-back length, was caught to a petaled headdress trimmed with orange blossoms. Cascading white carnations and tendrils of ivy completed her bridal finery.

Dawn Bruder, of Belleville, was asked to serve as maid of honor with two other school friends, Bonnie Bennett and Judy Mills, as bridesmaids.

Identically dressed, the trio appeared in formal gowns designed with white lace bodices with puffed sleeves and candy pink skirts sashed in pink. Their accessories were in matching pink and they carried baskets of white carnations and pink daisies.

Four-year-old Michelle Gonyer, daughter of the Conrad Gonyers, of Manchester, was dressed in a miniature version of the senior attendants' frocks for her role as flowergirl.

Michael Hyde, the four-year-old son of the Robert Hydes, of Ann Arbor, carried out the duties of ringbearer.

EARL VAN VALKENBURG, of Belleville, was his brother's best man. The corps of ushers included the bride's two brothers, Kenneth and Jim Hyde; Mike Remus, and Tom Meyers, all of Belleville.

Accessories in pink accented the white chiffon dress which the bride's mother chose for the wedding. Her corsage, also in pink, was made of roses. Mrs. Van Valkenburg donned a turquoise voile sheath with a companion lace coat and matching accessories. A corsage of white roses completed her ensemble.

The Romulus Progressive Hall was reserved for the reception which followed. Now making their home at 1841 Emerson, Ypsilanti, the newlyweds toured Northern Michigan including the Soo area, Mackinac, and Holland, for five days.

A 1969 alumnus of Belleville High School, Mary is employed by the Profit Cafeteria Company at the Ford Motor Company's Rawsonville plant. Also an employee of Ford-Rawsonville, Gordon graduated from Belleville High in 1967, and then attended Washtenaw Community College for a year and a half.

Rosemary Korgal Is Honored

THE MASONIC TEMPLE, in Belleville, was decorated with clusters of white wedding bells, arrangements of flowers, and long white-covered tables streamered in green to carry out the green and white color scheme planned by Rosemary Korgal for her autumn wedding. She and Jack Loria have set October 25 for their nuptial date and have reserved St. Anthony's Church for the morning ceremony.

The Sunday shower in Rosemary's honor, given by her aunts, Virginia Krakowiak, Lucille Remus, and Hilda Fraser; and Lillian Mydlarz, was tagged 'miscellaneous'.

The afternoon gathering was strictly a social affair with much visiting and awarding of prizes. Each lady was presented with a miniature green net parasol and those with the numbers drawn received awards. Door prizes were also given to those with the names of the bridal party under their plates or chairs.

A buffet supper of chicken and ham and all the trimmings was followed by the opening of gifts. Jack showed up just in time to help with the happy task and three of the four attendants, Carol Luke, Karen Skszek, and Mary Ann Sietz, also helped with the ribbons and wrappings.

About 90 guests attended from Johannesburg, Kalamazoo, Lansing, Saline, Flint, and cities in this area.

A special shower cake frosted with a spray of yellow roses and the inscription "Rosemary and Jack", was made by the honoree's future sister-in-law, Sue Loria, of Flint, and was used as a centerpiece on the table.

Collyers Chalk Up 20th Reunion

THERE WERE 97 members and several guests attending the 20th annual Collyer family reunion Sunday, August 17. Lysle and Sue Collyer played host to the group at their home on Judd road and, despite a rainy day, turned out a very successful get-together. Sharing the day with the clan who arrived from Livonia, Ypsi, Saline, Ann Arbor, Wayne, Garden City, and Detroit, were the George Days, of Ypsi, and the Henry Van Meters, from Detroit.

A co-op dinner opened the afternoon's festivities and a business meeting followed with James Kent, of Livonia, presiding. Pat Adkins, of Ann Arbor, gave the secretary-treasurer's report.

Art Collyer, of Wayne, headed the list of new officers elected with Lysle named vice-president; Donna Demski, secretary-treasurer; and Fred and Judy Norris to the games committee.

Two births reported were Timothy Scott to Verne and Denise Watson, of Lincoln Park, and Jeffrey Scott, to Marvin and Kathy Banotai, of Belleville. Also recorded were the marriages of Joanne Moody and Carvel Addington and Candy Demski and Bill Dalton.

Mrs. Gladys Collyer at 80 and Timothy Watson, at four months, were at the extreme ends of the age ladder.

Bob and Donna Demski later took charge of the games and contests so popular at family shindigs. The Harold Fowlers of Belleville invited the group to hold their 1970 reunion at their home.

Smiths Meet For 14th

DESCENDANTS OF the late George and Elizabeth Smith joined together Sunday at the Chelsea home of Bob and Marlow Smith for their 14th annual reunion. Hale, Ypsilanti, Willis, Chelsea, and Belleville were represented at the one o'clock buffet dinner which terminated with a short meeting. Thirty-five members and one guest 'counted off'; two marriages were reported; and Alonzo Smith, of Willis, and Kathy Minor, of Ypsilanti, were elected president and secretary, respectively. Barlow Simonds was eldest attending at 80 and the twin daughters of the Bob Halls, two and a half year old Jill and Julie, were the smallest of the little folk.

Before an afternoon of badminton, horseshoes, j'arts, and mini-biking, the group sang 'Happy Birthday' and shared a special cake honoring the 70th birthday of Mrs. Clarence Smith, of Hale, formerly of Willis.

Letter Request Received

BELLEVILLE--A request for cards and letters was made today for John Ferguson, 11, son of Mr. and Mrs. Jack Ferguson of 44111 Harmony Lane.

He was taken and admitted to St. Joseph Mercy Hospital, Ann Arbor following an accident while riding his bicycle around the home last week.

He is bedded down in Room 477 with a broken leg.

Former New Boston Girl Exchanges Nuptial Vows

A former New Boston girl, Margaret L. Edwards, became the bride of George D. Collins, in an evening ceremony Saturday, August 23, in the Petersburg United Methodist Church.

The Rev. Phillip D. Miles read the seven thirty o'clock nuptials which united the daughter of Mr. and Mrs. Kenneth M. Edwards, Sr., of 5431 Petersburg-Sylvania road, Petersburg, and the son of Mrs. George Collins, of Wagoner, Oklahoma, and the later Irvin F. Shoemaker, of Carleton.

Mrs. Earl Valentine at the organ provided traditional wedding music for the candlelight ceremony.

MR. EDWARDS, a rural mail carrier for the New Boston Post Office, gave his daughter in marriage.

For her wedding day, Margaret chose a floor-length sheath gown of white embossed peau de soie. Styled with a fitted bodice, the sleeves were semi-puffed in elbow length and the neckline was cut in a shallow scoop.

White velvet leaves studded with seed pearls secured her illusion veil which drifted into a chapel train. Her bouquet was comprised of green orchids and a variety of green foliage.

Frances Barrett, of Livonia, served as maid of honor with Delight Shoemaker and Jeanne Shoemaker serving as junior bridesmaids and Crystal Shoemaker as flowergirl. All nieces of the bridegroom, they wore pale yellow empire gowns of leno lawn fabric and carried wicker baskets of yellow carnations and rosebuds.

JAMES F. ELLIOTT, III, served as best man with Kenneth M. Edwards, Jr., brother of the bride, and David P. Funk, nephew of the bridegroom, making up the corps of ushers.

Following their reception in the church fellowship hall, the newlyweds departed on a honeymoon tour of Northern Michigan. On their return they will make their home at 55 E. Vesey Street, Petersburg.

The new Mrs. Collins is a 1966 graduate of Huron High School. Currently in her senior year at Eastern Michigan University, she is majoring in early elementary education and plans to teach following her graduation in January.

Her husband is a staff writer for the Monroe Evening News where he has worked for the past 10 years. He is a 1959 graduate of Summerfield High School in Petersburg.

Out-of-state guests at the wedding were from Elizabethville, Lykens, and State College, Pennsylvania; Wagoner, Oklahoma; Toledo and Sylvania, Ohio; and Boca Raton and Deerfield Beach, Florida.

Bassinet Bulletins

There's a new baby girl out at the home of Mr. and Mrs. Siegfried Froehlich, of 9279 Washington, Romulus. She was born July 18 at Seaway Hospital, Trenton, and her mother is the former Toni Mills.

MR. and Mrs. Charles Shock, of 13731 Elwell road, Belleville, have a new son. Born August 15 at Beyer Hospital, he weighed in at 7 lbs.-2 ozs.

MRS. GEORGE D. COLLINS

They 'Identify' With Astronauts

A little note from the E.I. Burkes, of Liberty street, tells of a little 'identifying' they can claim with the current in-the-news astronauts.

"The Space adventure," they write, "has produced some surprises such as: Mrs. Burke was born in Wapakoneta, Ohio; was married there in 1902; and that Neil Armstrong was

graduated from Blume High School which was the gift of her father to Wapakoneta."

They continued, "To put the icing on the cake, during the speeches by the astronauts, the one by Aldren, in particular, he remarked he was born in Rantoul, Illinois. And this was the birthplace of Mr. Burke in 1878."

It's just natural making friends in

It's fun and easy getting along with these long-sleeve 2-ply combed cotton knit shirts. For boys and girls in solids, stripes and a variety of necklines. Machine washable.

Romulus Resident Gets Degree

ROMULUS — Mrs. Margie Hay Herrmann of 38136 Westvale, has completed requirements for her Bachelor of Science degree at Eastern Michigan University during the summer term. Her major is in English, with a minor in Social Sciences.

Mrs. Herrmann has accepted a teaching position with the Romulus Community Schools for the fall term. She will teach fourth grade at the Mt. Pleasant School.

She is affiliated with Kappa Delta Pi. Prior to attending Eastern, Mrs. Herrmann was a student at Michigan State University and University of Michigan.

Belleville Students At Debate

BELLEVILLE—Two Belleville High School students are in Akron, Ohio, for a three-week High School Debate Institute at The University of Akron.

They are Barbara Kay Lobbestael, 5134 Geddes Road., and Bernice Martin, 47295 North Shore Drive.

The Debate Institute is a workshop in principles of argumentation, debate and public speaking, utilizing the 1969-70 high school debate propositions as the subjects upon which the debate experiences are based.

Most attention is being given to the proposition, "Resolved: That Congress should prohibit unilateral United States military intervention in foreign countries."

An open debate tournament Aug. 28 and 29 ends the Institute.

Thanks to plenty of good food and nutrition know-how, protein deficiency in America is relatively rare. Where it exists, however, here are some of the symptoms: premature aging, poor muscle tone and posture, anemia and slow recovery from illness or surgery.

Romulus Churches Combine Vacation Church Classes

ROMULUS — For the past two weeks Vacation Church School was held at the United Methodist Church on Olive Street. It was a combination session for the Romulus and New Boston Methodist Churches and for the First Baptist Church of Romulus.

Workers report that the response to the church school was remarkable and the number of volunteers for teaching assignments, tremendous.

The theme for the session was "I am the church," and was a challenge for the group to embark on the type of program which included a denomination other than their own.

GROUP SINGING, games, art and craft activities were features of the program. An outing was also planned for each class.

A unique program was also especially designed to meet the interest and needs of

"How much beef should I allow per serving?" This is a question homemakers often ask. Here's a guide for boneless beef such as boneless round steak, ground beef, stew meat and rolled roast, allow 1/4 pound per serving.

For beef with average amount of bone such as bone-in roasts and steaks allow 1/3 to 1/2 pound per serving; beef with more bone, as short ribs, allow 3/4 to 1 pound per serving.

teen-agers and to develop a better understanding of the part the church activities play in every day living. Youth was offered the opportunity to discuss with adults what it considers are necessary changes to be made within the church.

Arrangements of white carnations and gladioli adorned the altar as the couple exchanged double ring vows before some 40 assembled guests.

Denton Church Setting For Wilson-Peterson Vows

Gloria Peterson, daughter of Mr. and Mrs. E. K. Peterson, of 41663 Van Born road, Belleville, and Jimmy Wilson, son of Mr. and Mrs. Rollen Wilson, of Shelby, Ohio, were united in marriage Saturday, August 2. The First United Methodist Church, in Denton, was the scene of their six o'clock nuptials read by the Rev. Clive Dickens.

Arrangements of white carnations and gladioli adorned the altar as the couple exchanged double ring vows before some 40 assembled guests.

Given in marriage by her parents, Gloria donned a formal sheath gown styled with elbow-length lace sleeves, a beaded scoop necked bodice, and a chapel train.

Her two-tiered veil fell to waist-length from a pill box hat accented with Mediterranean lace and she held a bouquet of yellow roses and daisies.

AS HER SISTER'S honor attendant, Mrs. Earl R. Bower, of Belleville, wore a yellow sleeveless sheath covered with lace and styled with a brief train at the back. Her headpiece and bouquet were in matching yellow.

Jim Nickell, of Belleville, brother-in-law of the bridegroom was best man and ushers were Sam Peterson and Earl R. Bower, brother and brother-in-law, respectively, of the bride.

The Hannan Hall, on Van Born road, was the setting for the reception which followed after which the newlyweds left for a four-day honeymoon in Morgan County, Kentucky.

Mrs. Peterson wore for her daughter's wedding a two-piece beige suit-dress while Mrs. Wilson chose a blue knit dress. Both mothers added yellow carnation corsages to their frocks.

The young couple is now living in Georgetown, Kentucky where they are both employed.

The deceased spent from Thursday to Saturday at the Michigan State Fair in Detroit where his horses were being shown. He died at the home of his daughter on Sunday, August 24.

Pie — especially pie crust — is a challenge to the novice cook. Often it's first on the bride's "help wanted" list. Yet, because pastry can be tricky is the very reason a woman takes such pride in turning out a perfect pie. To achieve that perfection of crust, follow pastry recipe carefully. STUDY MAJOR CHANGES County Supervisors OK Committee to Weigh Rule

Major changes in the structure of Wayne County government will be weighed by a special committee of county supervisors.

The County Board of Supervisors, meeting last Thursday (Aug. 21), authorized its chairman, Albert J. Zak, to appoint the

committee.

Creation of the committee was proposed by 23rd District Supervisor James DeSana, of Wyandotte.

The Board suspended its rules in order to give immediate consideration to the proposal which was approved unanimously.

Huron Valley Youth For Christ Rally

ANN ARBOR—Huron Valley Youth for Christ will premiere its 1969-70 rally format on Saturday, Sept. 13 at Ann Arbor High School Auditorium, at 7:30 p.m.

Coming from Philadelphia, Pennsylvania will be recording artist and former T.V. personality, Dave Boyer.

Dave Boyer was formerly known as Joey Stevens in his television and nightclub work. As Joey Stevens, Dave Boyer worked in nightclubs throughout the country.

It was on Aug. 30, 1965 that a change took place in Joey Stevens. After working in a private club in Marietta,

Pennsylvania, where he had been drinking for several hours, Joey Stevens came close to taking his own life. It was at this point that through the counseling of his brother, there in New York City at 4 a.m. the following morning, Dave Boyer found a new life in Christ, and Joey Stevens

was no more.

Since then, Dave Boyer has thrilled many. He has appeared throughout the country in his evangelistic role. He's been on television and appeared in services in the Minneapolis Lutheran Church, the largest church of its denomination in America.

QUESTIONS ANSWERED

School Bus Transportation Programs, Rules are Listed

BELLEVILLE--Many questions have been received by administrative staff at the Board of Education offices of the Van Buren Public Schools in regard to school bus transportation.

And in the interest of safety, efficiency and more pleasant rides to and from school for students, James Egan, business manager, issued the following information, rules and bus programs:

School bus routes are now being set up and will be mailed to each family. These should be received prior to Sept. 4, the first day of school.

If you do not receive a notice in the mail, please check with a neighbor or call the Transportation Office. It should be noted that these routes are sent out to provide a smooth operation at the start of the school year and that these routes and stops are subject to change if necessary.

WE ARE planning no basic changes in transportation policy with the exception of adjusting stops on some routes to bring them into line with the rest of the routes

and into conformance with a State Department of Education recommendation that for reasons of safety "bus stops should be limited to four per mile."

This means if you should live midway between two stops a quarter mile apart the students may have to walk 220 yards to board the bus. In some instances where it is not possible to route a bus on a given section of road, students may have to walk a quarter mile or more, but no students will be required to walk over a half mile to board a bus.

Parents should have their children at the closest stop as indicated on the route sheet sent to them for the school their children attend.

THE ROUTE description and list of stops should give some indication as to when the bus will arrive, but as a precautionary measure the students should be out a little earlier the first week of school. After that the drivers will be able to operate on a tighter schedule and the time children leave to catch the bus can be adjusted accordingly.

All students should be at

the bus on the pick-up side of the street when the bus arrives.

Parents should instruct their children in proper conduct and good safety habits to and from the bus stop and at the bus stop.

PARENTS CAN help by not permitting their children to ride the bus with glass bottles, large bulky objects, or anything else which could cause injury or complicate matters in case of an emergency.

If these objects need to be taken to school, parents should make the necessary arrangements. Students should also be instructed in proper conduct aboard the bus.

Our rules aboard the bus are rather general and very simple. They are:

Obey the driver. Sit down and remain seated. If talking use conversational tones. No yelling, screaming or shouting. Remain silent at railroad crossings. Keep hands, feet, and objects in your possession off others. No smoking or lighting of matches, etc. and no eating.

COMPLETELY REDESIGNED—Above Lincoln Continental for 1970 has been completely redesigned for the first time in nearly a decade. While outside dimensions are almost identical to previous models, wheelbase has been increased one inch to 127 inches resulting in substantially greater interior roominess. The prestige motorcar bears a strong kinship to its predecessors with a striking grille theme and understated elegance. It has wider front and rear treads, new body on frame construction, optional sure track brake system, four new glamour paints, new interior trim schemes, concealed headlamps and windshield wipers and a full complement of new comfort and convenience features. Model lineup consists of a two-door hardtop and four-door sedan. The car can be seen Sept. 19 at Sesi Lincoln Mercury, 950 East Michigan, Ypsilanti.

Dance Club Sets Picnic

ANN ARBOR—THE SENTIMENTAL DANCE CLUB of Ann Arbor, (25-UP singles) will hold their end of the season picnic, at Island Drive Park, in Ann Arbor, Sunday Sept. 7.

Baked ham and corn-on-cob will be furnished. Also table service and beverage is provided. Bring a dish to pass and \$1 for band). Or, \$2 will cover all with no food donation. Children are welcome. Those above five years: \$1.

The potluck meal will begin at 3 p.m. followed by dancing to a live orchestra under the shelter.

Detroit Republican Party May Challenge Here

State Rep. Weldon O. Yeager, the only Republican House member from the City of Detroit, says he is "seriously considering" challenging James Hare for secretary of state in 1970.

He admits it "would be a formidable task" to unseat Hare who will be finishing 16 years in the job at the end of his term. Hare has traditionally been the Democrats' biggest vote getter in recent years.

Yeager is three months younger than Governor Milliken and says he "looks forward to a young aggressive ticket to back Governor Milliken's race for reelection."

"The Governor has been doing an outstanding job under very difficult circumstances, and I would consider it a privilege to help in any way I can to continue that leadership for Michigan."

Yeager believes that being from Detroit is an asset since both the Governor and Senator Griffin come from outstate. "The Governor has been stressing the need to solve urban problems for the good of the people and state as a whole," Yeager said, "and by living in Detroit I know these problems first hand."

Yeager has had considerable experience in government, having been a party organizational leader for 20 years, in addition to serving as an elected delegate to the Michigan Constitutional Convention, four years as director of the Michigan Workmen's Compensation Department appointed by

former Gov. Romney, and one term as a state representative. He is a

graduate of Wayne State University and served five years in the Air Force in

World War II. He is married with four children and lives in Northwest Detroit.

Republicans Urge 'Positive' Approach

Executive members of the 15th Congressional District Republican Committee, at a metropolitan area leadership seminar, heard GOP state chairman Bill McLaughlin stress the importance of "the power of positive thinking" regarding the 1970 elections.

At the day-long seminar held Saturday, Aug. 16, at Detroit's Statler-Hilton Hotel, Southeastern Michigan Republican leaders met in workshop sessions to discuss the problems facing the GOP in finance, organization, and

campaigning in the metropolitan area.

Following the sessions, McLaughlin said to the group, "No matter how you look at it, the Republican Party is not going to win in 1970 without a positive, goal-oriented program in 1969. Let's continue that positive spirit we've generated here today, carry it over into 1970. Don't underestimate the power of positive thinking."

District chairman, Dwight Vincent, Dearborn Heights; Milt Hack, 8196 Gary,

Westland; Al Haney, Jr., 547 Belton, Garden City, and 15th District executive director, Ron Rice of Redford, represented the

15th Congressional District at the seminar which was sponsored by the Southeastern Michigan United Republican Fund.

Three 'L's

In simple terms the present high cost of housing can be attributed to the three "L's": Land, Loans, and Labor.

After several months of study, a team of top construction executives from General Motors Corporation and Chrysler Corporation concluded that "anyone who thinks engineering is a solution is operating under a fallacy."

Construction costs in Detroit's highly touted Phoenix project will be \$16 or \$17 per square foot, instead of the \$8 predicted by its promoters.

ONE SPOKESMAN said that delays in demonstration projects while officials futility search for some new miracle building method usually means that nothing worthwhile gets built.

A ten percent reduction in construction costs would only reduce a \$100 per month rental or mortgage payment by \$4, because of high taxes, interest and insurance rates.

A Canadian task force has suggested that the federal government make direct loans to municipalities to encourage them to acquire land and plan orderly housing developments to avoid the high cost of private land speculation.

A similar proposal is part of the legislative policy of the National League of Cities in the United States.

A PROPOSED uniform construction labor law, separate from all other labor laws, is a solution offered by the Canadian Construction Association for problems similar in most respects to those experienced in the United States.

What about unreasonable requirements in local codes? They are part of the problem of the third "L."

We do not have the answer, but it is not in engineering.

Romulus Sunshine Club Gets Big Boost in Flag Pole Care

ROMULUS—The Romulus Sunshine Club, a 53-year-old organization, received a major boost Monday in the maintenance and care of the club's "Community Flag Pole."

The club, whose membership had dwindled over the years to nine, has and still does sponsor and participate in many civic programs and projects for the good of the Romulus

community. Mrs. Leona Buckberry, of 12141 Sharon, current club secretary, reported.

The big assist came from the Romulus Branch of the Manufacturers National Bank.

An offer by the bank to maintain and care for the club's 40-foot high flag pole, located on Goddard Road near Shook Road and opposite the bank branch was accepted by the Club.

THE FLAG POLE erected by the club years ago in honor of Romulus Township war casualties and veterans had not been actively used in recent months.

On Monday afternoon, Aug. 25, club members, Leo Kalota, bank manager and township officials, who approved the custodial offer, gathered to re-dedicate the flag pole.

Henceforth, the American Flag will fly daily, and highlight township holiday observances. Kalota in commenting on the bank's offer said: "We want to preserve the original intent of the club when it erected the flag pole."

The Romulus Sunshine Club was first organized as a social group among the women of the neighborhood, but later the idea of becoming a "Sunshine" Club to bring cheer to local shut-ins in the form of plants and visits from the members was accepted. Still later the idea of carrying on civic projects for the good of the community was born.

TO HELP raise funds, the women held public parties of one kind or another throughout the years. Their civic projects included the erection of a Memorial Monument shortly after the first World War. This monument was erected at the corner of Goddard and Shook Roads and was decorated each Memorial Day by the club. The Flag was raised on all days.

The American Flag was donated by Nina Rice Rose and had been used for the burial of her brother, Austin Rice, who had been killed overseas.

The group also purchased the first stage curtain for the Romulus High School Auditorium shortly after the school was built. This was followed by purchases of tables, chairs, dishes and other furniture items for the high school as well as donating to various church and civic organizations.

THE CLUB still meets once a month at individual members' homes to hold business meetings, read correspondence and have refreshments.

The nine present members of the club who still remember the sick and Senior Citizens who are shut-ins are:

Hazelle Speiser, Rena Newson, Ida Klages, Rena Baker, Clara Bower, Ermina Bird, Lizzie Huntley, Leona Buckberry and Mildred Ridge. The first three members mentioned are charter members.

Electrical Storm Tips Detailed

What should you do if a violent summer electrical storm catches you in your car?

Unless the storm causes poor visibility, there is no need for a motorist to stop his car, Automobile Club of Michigan reported.

If you are forced to pull over and wait out a storm, one of the safest places to avoid lightning is in your car and in the open.

Rubber tires insulate a car and keep the current from grounding the vehicle, so there is little danger that lightning can harm passengers, the Auto Club advises.

IF YOU decide to pull over and wait for the storm to pass, these safety suggestions should be followed:

* Don't park under a tree or pole. If struck by lightning, it might fall on top of your car.

* Try to avoid parking under overhead power lines strung along the roadside. During severe storms many of these lines are knocked down.

If a wire does hit your car, you are safe when you stay inside. Since you can't tell the condition of the wire, sit tight and wait.

Avoid touching any metal parts inside the car. If you must summon help, use a wooden or plastic object to activate your horn.

New Cancer Control Films are Available

Does the word "cancer" scare you?

It doesn't need to scare you, of course, and the Michigan Cancer Foundation has set for itself the goal of teaching that concept to everyone during April, Cancer Control month.

The Foundation has completed three new films which it will schedule, free of charge, for any club,

organization, church or school. As the Torch Drive's only cancer control service, the Foundation has gone all out on the films with the theme, "Make Cancer Control your family goal."

You may call the Foundation headquarters to schedule one or all these educational programs, at 833-0710.

Lose 10 Lbs. In 10 Days On New Grapefruit Diet

This is the revolutionary new grapefruit diet that everyone is suddenly talking about. Literally thousands upon thousands of copies have been passed from hand to hand in factories, plants and offices throughout the U.S. and Canada. Word of its success has spread like wildfire, because this is the one diet that really seems to work for most overweight people. A well known Toronto columnist recently praised it to the skies. He reported losing 20 pounds quickly and easily long after he despaired of ever getting down to his wartime weight of 165 pounds. All this without cutting out the occasional beer or rye. If it is followed exactly the average overweight person should lose 10 pounds in 10 days. There will be no weight loss in the first four days. But you will suddenly drop 5 pounds on the 5th day. Thereafter you will lose one pound a day until the 10th day. Then you will lose 1½ pounds every two days until you get down to your proper weight. Best of all there should be no hunger pangs. Now revised and enlarged, this new diet plan lets you stuff yourself with foods that were formerly "forbidden". Such as big steaks trimmed with fat. Southern fried chicken, rich gravies, mayonnaise, lobsters swimming in butter, bacon, fats, sausages and scrambled eggs. You can eat until you are full, until you can't possibly eat any more. And still you should lose 10 pounds in the first 10 days, plus 1½ pounds every two days thereafter until your weight is down to normal. The secret behind this new "Quick weight loss" is not generally known. Fat, it has been theorized, does not form fat. Perhaps fat fights fat. And the grapefruit juice in this new diet might act as a catalyst (the "trigger") to start the fat burning process. You stuff yourself on the permitted foods listed in the diet plan, and still lose unsightly fat and excess body fluids. When the fat and blout are gone you will cease to lose weight, and your weight will remain controlled. A copy of this new and startling successful diet plan can be obtained by sending \$3 to The

Unconditional money-back guarantee. If after trying the diet plan you have not lost 7 pounds in the first 7 days, another 6 pounds in the next 7 days, and 1½ pounds every two days thereafter, simply return the diet plan and your \$3 will be refunded promptly and without argument. what's a funny place for a phone?

That depends on your sense of humor. If interrupting your washing or ironing to rush upstairs to answer the telephone leaves you breathless, then an extension telephone makes good sense.

An extension telephone saves steps and lets you do your telephoning from where you are. You can select from many smart styles and decorative colors.

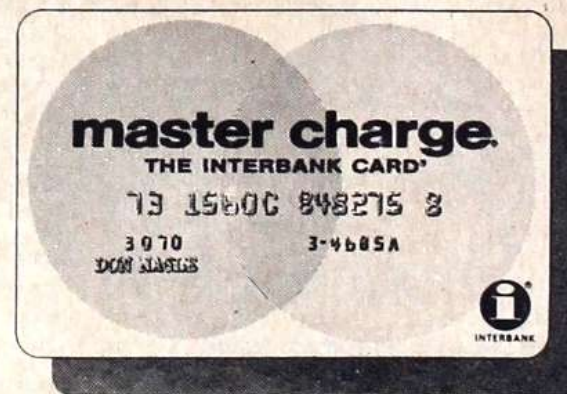

Call your Michigan Bell Business Office or ask your telephone man. For as little as ninety-five cents a month (plus tax) you can have an extension telephone in any funny old place you'd like.

1,200,000 Michigan shoppers will soon find out they don't need any other charge card.

That's because MASTER CHARGE, the nation's busiest charge card, is on its way to Michigan. And in a very big way.

Bank of the Commonwealth couldn't bring better news for Michigan business people. For MASTER CHARGE not only serves the shopper better than other cards, it serves the participating merchant equally well.

First of all, your business can draw on a national total of over 20 million MASTER CHARGE users. Over 500,000 businesses already do. In the Detroit area hundreds of thousands of new customers will be

receiving MASTER CHARGE shortly. Your potential for increased sales and customer conquering immediately increases.

And doing business is so much easier. With our MASTER CHARGE service, you'll contend with fewer receivables. Your sales slips are as good as cash to you. Billing problems decrease. And collections under MASTER CHARGE are no longer your responsibility.

What's more, over \$1,000,000 in advertising will support this program, week after week, on television, radio, newspapers and outdoor. The result? People

will know more about MASTER CHARGE and why they will like doing business with MASTER CHARGE merchants.

Best of all, shoppers prefer the convenience and nationwide versatility of our MASTER CHARGE card. They can use it in more ways for more things than any other card. They pay no membership fees and enjoy once-a-month billing.

Looking for greater profit from greater sales in your business? MASTER CHARGE is the card that can do it for you. Our people will be calling on you soon.

ONE OF BEST—Famed test pilot, R.A. (Bob) Hoover, stands before the twin-engine Shrike Commander business utility aircraft in which he performs precision flight maneuvers never done by this type of airplane before. Hoover is also president of the Experimental Test Pilots Society.

Top Test Pilot Lives For Precision Flying

AMERICA'S FOREMOST TEST PILOT—Employing precision aerial maneuvers, Robert A. (Bob) Hoover, one of America's foremost pilots, has demonstrated to millions the maximum performance capabilities of the best known aircraft, including the F-100 Super Sabre, the F-86 Sabre Jet, the Sabreliner, the F-51 (P-51) Mustang and the Shrike Commander.

Today, sponsored by North American Rockwell, Hoover flies the F-51 Mustang and the Shrike Commander, twin-engine business/utility aircraft, in demonstrations of skill and precision at air fairs and celebrations throughout the world.

In 1966 he served as captain of the aerobatic team which represented the United States in the international competition at Moscow.

A graduate of both Air Force and Navy test pilot schools, Hoover first started testing aircraft as an Army Air Force pilot in North Africa during World War II.

After being assigned to demonstrate maximum performance capabilities of American aircraft to fighter pilots throughout the

European-Middle East Africa theater, he had a combat tour flying Spitfires with the 52nd Fighter Group in Sicily and Corsica. He was shot down on his 59th mission and imprisoned for a year in Stalag Luft I.

Now executive assistant to the vice president, Public Relations and Advertising, Hoover originally joined North American Rockwell as an engineering test pilot in 1950.

He currently is president of the Society of Experimental Test Pilots, a professional organization formed 14 years ago which now boasts a membership of 1107 in the United States and 22 foreign countries.

The P-51 Mustang in which Hoover performs his thrilling precision aerial demon-

stration today has one of the most fabulous histories of any airplane ever built. More than 15,000 Mustangs in nine production versions were turned out during the war by North American Rockwell.

Even in the jet age following World War II, the Mustang did not go the way of most wartime, prop-driven fighters—into obscurity. Some of them were stationed overseas with front-line defensive groups, but the majority were assigned to National Guard outfits.

Called back to active duty as air support for U.S. troops in Korea, the Mustang added further laurels to its illustrious history.

Speed records for prop-driven airplanes were set with such famous pilots at the controls as Jacqueline

Cochran, Paul Mantz and Joe DeBona. In the 1947 Bendix Race from Van Nuys, Calif., to Cleveland, O., P-51's took the first six places.

In May of 1951, Captain Charles F. Blair took a P-51 Mustang from Bardufoss, Norway, across the North Pole to Fairbanks, Alaska, a distance of 3450 miles, in 10 hours, 29 miles, the first solo flight over the Pole in a single-engine airplane.

Lunar Data, Material Praised

Space officials, jubilant over the lunar cargo brought home by the crew of Apollo 11, say "there is just no way you could put a price on this material."

The data being received from instruments left on the moon's surface is "literally changing scientific theory about the origin of the moon."

Supporters of "at least no cuts now," point to the fact that Americans spend more money annually on welfare, cigarettes, tobacco, automobiles, and other individual items than the yearly cost of Apollo.

They say, "We are on the greatest threshold ever encountered by mankind. Let's not stop now."

Nuclear Engine Fired

A NERVA XE nuclear-powered ground experimental rocket engine, built by Aerojet-General, has been successfully tested at full power under simulated altitude conditions.

The engine, under development by the Atomic Energy Commission and NASA, was fired for a total of 13 minutes. The engine was brought to full power for a three-and-one-half-minute duration while engine data was obtained and the rocket's test stand liquid hydrogen propellant fuel tank was refilled.

NERVA XE is part of a developmental program to build a nuclear rocket engine for flight application.

Delta to Unload At Record Speeds

The unloading of more than 500 suitcases and cargo from any one of Delta Air Line's 24 new Lockheed TriStar 250-passenger advanced technology jet transports will be accomplished by one man in just three minutes, Delta and Lockheed officials said.

Suitcases will be loaded into containers that are transported as units—"containerized"—onto the airplane. The containers, contoured and sized to fit L-1011's cargo compartments, will be transported on trailers to a mobile ground loader positioned near the cargo doorsills.

An on-board unit will power unique rollers which move containers in and out of the compartments. L-1011 is expected to easily meet the 30-minute turnaround times required by Delta and other L-1011 operators.

MOTHERS FLY HIGH—These two local women meant business when they remarked a few months ago they were joining the flying world. Both have soloed and now have accumulated over 25 flying hours. (Left) Mrs. Hazel Hawkin of 33733 LaCrosse, Westland, a mother of five, soloed on Aug. 3 and flies every week. Mrs. Gladys Sabo, 35430 Clinton, Wayne, also a mother, logs flight hours every week. Larry Edmundson with Mrs. Sabo and Larry Berlin with Mrs. Hinken, are flight instructors at the McGrath Flying Service. They taught the ladies to fly.

Airlines Are Ready, But Not the Airports

The Air Transport Association, in its 1969 "Facts and Figures" report, says that declining earnings as well as inadequate airports and airways could slow industry progress in the next jet decade.

Net profit for U.S. scheduled airlines, in 1968, ATA reported, totaled \$216,108,000, a 48 percent

decline from the previous year's high of \$415,392,000.

ATA President Stuart Tipton pointed to two problems facing the industry: "the attainment of an earnings level adequate to support new aircraft investment and a failure by the federal government and others to face up to the

inadequacy of airports, airways and facilities."

He commented, "the airlines have spent millions on new equipment and now are literally all dressed up with no where to go."

\$83.3 Million Invested For Pilot Training

The Training Committee of the Air Transport Association reported that ten member airlines (U.S.-domestic) have invested a total of \$83.3 million in flight simulator equipment for pilot training.

The report stated also that the airlines would invest an additional \$53.9 million—20 more simulators—by Jan. 1, 1972.

Flight simulators include the flight deck, instruments,

and controls of an airplane, with a computer which creates similar behavior to that experienced on actual flights.

Late models, including Link's (Link Division of General Precision) remarkable VAMP (the first of which is presently being installed at Delta Air Lines' Atlanta Flight Training and Simulator Center) can even "create visual airports."

New Satellite to Aid Air Traffic

A unique satellite, launched from Cape Kennedy, could pave the way to improved air traffic control communications and meteorological photocopying.

The spacecraft, "Applications Technology Satellite E," was designed for a synchronous 22,300 mile-high orbit.

ATS-E, carrying on L-band and air traffic control experiment, is termed a gravity-gradient stabilization system which consists of four 124-foot-long booms to keep the satellite point at all times to the earth.

Such a stabilization system does not require fuel and thus can be expected to endure extra-long life.

I-75 and I-696 Freeway Interchange is Underway

LANSING—Mayors of four Oakland County cities and the other business and government leaders attended groundbreaking last Monday (Aug. 25) for construction of the mammoth Interstate 75 and Interstate 696 freeway interchange, which will extend into all four cities.

Charles H. Hewitt, chairman of the State Highway Commission, said the 94-acre, four-level interchange will cost an estimated \$25.3 million, including right of way and engineering.

The entire project, including adjoining construction to provide connections with the

freeways, will cost an estimated \$34.8 million, he said.

The I-75 portion of the project, running between 9½ and 10½ mile roads (Woodward Heights and Lincoln avenues) is scheduled to be opened late in 1971 or early in 1972. Completion will close the last gap in the north-south freeway in Metropolitan Detroit.

THE INTERCHANGE, designed by the Department of State Highways, is being built at the juncture of Royal Oak, Ferndale, Madison Heights and Hazel Park.

Wielding gold-painted shovels at the 10 a.m.

ground-breaking were Mayors L. Curtis Potter of Royal Oak, Bruce D. Garbutt, Ferndale, Monte R. Gerald of Madison Heights and James A. Gibson of Hazel Park. Paul W. McGovern, vice-chairman of the Oakland County Road Commission, was master of ceremonies.

Other city and county officials and representatives of the Highway Department were also on hand.

The project is scheduled for completion early in 1973, except for a connection with I-696 on the west. Plans for that portion have yet to be finalized.

THE INTERCHANGE will require construction of 14 bridges and a pedestrian overpass. The I-75 freeway will be depressed at that point, and an overpass will carry I-696 over I-75.

Hewitt said the Highway Department will route I-75 traffic through the construction area on temporary or service roads.

The groundbreaking on Monday was for construction of service roads and structures, several bridges and retaining walls, and a pumping station. Midwest Bridge Co. of Williamston submitted the low bid of \$6,372,336. United Construction Co., of Livonia, was low bidder, at \$628,357 for construction of a 66-inch sanitary sewer through the area.

Bids will be taken next summer on the rest of the structures and roadways. Right of way costs have totaled \$9,432,000.

Because it is part of the Interstate freeway system, the project will be financed 90 per cent by federal funds and 10 per cent by state and local funds.

New Chief

Robert G. Wick, a native of St. Paul, Minn., has been appointed Executive Director for the Southeastern Michigan Chapter of the American Red Cross. The announcement was made by Chester E. Blanton, chapter chairman. Wick succeeds Theodore H. Hoffman who recently retired.

Prior to this, Wick served as Executive Director of the Greater Milwaukee Red Cross Chapter.

He began his Red Cross career 21 years ago as Assistant Field Director of the Great Lakes Naval Training Station, Great Lakes, Ill.

Record Enrollment at Eastern

YPSILANTI—A record 8,403 undergraduate and graduate students attended the regular summer session at Eastern Michigan University, Dean Julius M. Robinson has announced. This was an increase of 1,300 or

approximately 18 percent over last year.

This figure does not include about 1,000 mostly graduate students, enrolled in off-campus courses offered by the Division of Field

Services nor another 340 currently attending 11 two-week workshops on campus.

Robinson pointed out that the actual enrollment for the regular session, which ended Aug. 15, was about 10 percent higher than that projected by his office earlier in the year. One reason for this is the great increase in the number of undergraduates seeking to accelerate their college education. There were actually more of these than graduate students for the first time this summer.

TO MEET their needs, Eastern offered 800 courses covering a wide area of subject matter.

Among the short courses, a two-week "Workshop in Sex Education" proved to be the most popular. This was an exploration of the problems in sex education and their solutions in the public schools. The subject has become highly controversial and this is believed to have accounted for the heavy attendance.

An eight-week course in "The History of Negroes in America" attracted an unusually large class of 41 students.

Security Officer At School

LINCOLN PARK—James G. McColl, trust officer of Security Bank & Trust Company, attended the Tenth Annual Session of the National Trust School held at Northwestern University, Evanston, Illinois, Aug. 11 to the 22.

McColl was one of 471 bankers who represented 43 states, the District of Columbia and Japan. Seventeen of the students were women.

The school offers a three-year program in trust administration. Students may elect to come for a single session, or may return a

second year to take alternate major, or may attend the full three-year course.

The school's faculty of nearly 100 members, includes trustmen, practicing lawyers, university professors and life insurance consultants.

McColl, 31, graduated from Blissfield High School, Blissfield, Michigan, in 1956. He holds a B.A. Degree in Business Administration from Hillsdale College and has earned a Standard Certificate from the American Institute of Banking.

He joined Security Bank and Trust as a manager's assistant trainee, in 1963.

Egan is Awarded Specialist Degree

BELLEVILLE—James Egan, business manager of the Van Buren Public Schools, now holds a Specialist Degree in Public School Administration.

The degree was conferred during summer graduation ceremonies at the University of Michigan held on Aug. 10.

JAMES EGAN

Egan, a member of the administration staff of Van Buren School District for the last three years, is now working toward his Doctorate in Public School Administration.

He and his wife, Sorita, are parents of one son, Dale. The

New Water Film Joins Loan List

LANSING—"Your Life-Water," a new color-sound movie spotlighting the natural resource which has made Michigan famous, has just been added to the free loan list of the Department of Natural Resources (DNR) in Lansing.

The 28-minute film zooms in on the many facets of this state's water heritage and documents the challenges confronted, and full-scale efforts being made to protect this resource from the growing competitive pressures of these times.

Prints of the new movie may be reserved free by schools, conservation clubs, and other groups through the DNR's Film Loan Section in Lansing. Reservations should be made three weeks in advance of desired viewing dates.

Wayne Amvets Are Color Guard Champs

Wayne Post 171 of the American Veterans of World War II and the Korean War Color Guard won the National Championship on August 18 following competition during the national convention held in Detroit.

The 25th annual convention marked the first time that the Wayne Post has participated in the National Championship competition in which 29 states took part.

The Amvets from Post 171 had been Michigan State Champions for the last three years.

The color guard was first organized in 1965 and has appeared in Ypsilanti, Bay

City, Cadillac, Grand Rapids, Lansing, Detroit, and many parades in the Wayne Westland Area.

Members of the color guard include: Joe Fisher, sergeant of the guard; Larry Seigfried, Ted Gagnon, Paul Richter, Larry Jantovsky, and Lee Paquin.

Runners-up to the Wayne Post were Harper Woods, Mich., and the Chicago Police Post who came in third.

100,000 Expected At Fall Festival

With a prediction of more than 100,000 visitors during the four days of the 14th annual Fall Festival, the Plymouth community is buzzing with preparations for handling the crowds starting Thursday, Sept. 4, and concluding Sunday, Sept. 7.

The big event opens on Thursday, Sept. 4, with an old-fashioned German sauerkraut dinner in historic Kellogg Park and reaches a climax with the traditional Rotary Club chicken barbecue-corn roast on Sunday, Sept. 7. Officials are looking forward to serving more than 13,000 at the barbecue.

Other major events are: Friday, Sept. 5, Lions Club serving fish dinner from 11:30 to 1 p.m. and 5 to 9 p.m.; Saturday, Sept. 6, Kiwanis Club pancake festival from 7 a.m. to 6 p.m. and Jaycees beef rib dinner from 6 to 9 p.m.; Sunday, the Rotary Club chicken barbecue from noon to 6 p.m.

And there will be free entertainment every evening in the portable bandstand in the park, plus a full day of entertainment Sunday.

Huron Scout Leaders Hold Round Table

ROMULUS—Huron District, Boy Scouts of America, Round Table was held Thursday, Aug. 21 at the Romulus Senior High School, 9650 South Wayne Road.

George Haft, district commissioner, and Paul Porch, district executive were in charge of the program.

Materials, for the coming year, were given to Cubmaster and Scoutmasters.

Emery Seestedt, district chairman, appointed Byron Howard, principal at Taylor Park School in Taylor, as chairman of the Annual Meeting to be held in St. John Lutheran Church in Taylor on Oct. 27.

The Huron District Scouts are preparing for the various skill contests to be held at the Annual Camporee on Oct. 10, 11, and 12 in Lower Huron Park.

ROMULUS TOWNSHIP PLANNING COMMISSION
Alfred J. Perry, Township Clerk

ROMULUS TOWNSHIP Resolution No. 69-18

RESOLUTION OF THE TOWNSHIP OF ROMULUS, MICHIGAN AUTHORIZING THE FILING OF A NEIGHBORHOOD DEVELOPMENT PROGRAM APPLICATION FOR PROGRAM NO. 1

WHEREAS it is necessary and in the public interest that the Township of Romulus, Michigan (Local Public Agency) avail itself of the financial assistance provided by Title I of the Housing Act of 1949, as amended, to commence a Neighborhood Development Program in the urban renewal area described on Annex No. 1, hereinafter referred to as the "Program," and

WHEREAS it is recognized that the Federal contract for such financial assistance pursuant to said Title I will impose certain obligations and responsibilities upon the Local Public Agency and will require among other things (1) the provision of local grants-in-aid; (2) a feasible method for the re-location of individuals and families displaced from the urban renewal area comprising the Program; and (3) other local obligations and responsibilities in connection with the undertaking and carrying out of the Program; and

WHEREAS Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color or national origin under any program or activity receiving Federal financial assistance, and Executive Order 11063 prohibits discrimination on basis of race, color, creed or national origin in sale, lease or other disposition of residential property (including land intended for residential use) or in the use or occupancy thereof; and

WHEREAS in those areas where clearance is proposed, the objectives of the Program cannot be achieved through more extensive rehabilitation of the urban renewal area comprising the Program.

NOW, THEREFORE, BE IT RESOLVED BY THE ROMULUS TOWNSHIP BOARD OF TRUSTEES OF THE TOWNSHIP OF ROMULUS, MICHIGAN:

1. That the United States of America and the Secretary of Housing and Urban Development be, and they hereby are, assured of full compliance by the Township of Romulus, Michigan with regulations of the Department of Housing and Urban Development effectuating Title VI of the Civil Rights Act of 1964 and applicable Executive Orders.

2. That an application on behalf of the Township of Romulus, Michigan for a loan under Section 102(a) of said Title I in the amount of \$1,720,891.00 and for a program capital grant, a relocation grant, and a Federal grant for the making of a rehabilitation grant to the full amount available for undertaking and financing the first increment of such Program is hereby approved, and that the Urban Renewal Director is hereby authorized and directed to execute and to file such application with the Department of Housing and Urban Development, to provide such additional information and to furnish such documents as may be required in behalf of said Department, and to act as the authorized correspondent of the Township of Romulus, Michigan.

THEREFORE BE IT RESOLVED, that the Romulus Township Board adopt and does hereby adopt this Official Resolution No. 69-18, and directs that it be presented for publication.

ALFRED J. PERRY, Clerk

Road Patrol to Police Parks With Motorcycles

The Wayne County Board of Supervisors approved purchase of two motor cycles for use by the Sheriff's Road Patrol in policing the County park system, primarily the 27-mile-long Edward Hines Parkway.

Inspector John C. DeVos, officer in charge of the Road Patrol, said the department decided to use motorcycles for the first time because they can reach unpaved park areas which are beyond the reach of automobiles.

"There are so many motorcycles on the road now days that we have to be able to keep up with them," he added.

DEVOS SAID the Road Patrol has five trained motorcyclists among its officers.

The Board of Supervisors also appropriated \$400,000 to cover a \$318,000 overexpenditure of emergency welfare aid by the

unanimously. The meeting was adjourned at 12:00 midnight by Supervisor Smith.

Respectfully submitted,

Alfred J. Perry, Clerk

Township of Romulus

I, Alfred J. Perry, Clerk of the Township of Romulus, do hereby certify that the foregoing is a true copy of the Minutes of a Regular Meeting of the Romulus Township Board, held on August 19, 1969, in the Romulus Township Hall.

SPECIAL MEETING
July 22, 1969

The Special Meeting of the Board of Education was called to order by President Carl Morris, at 5:26 PM in the offices of the Board of Education.

Present: Morris, Draper, Lovette, Budd, Canejo, Mr. McConeghy was also present.

Absent: Hoffer, Oakley.

The following resolution was offered by Member Draper, supported by Member Lovette.

WHEREAS, this school district has heretofore received the approval by the Superintendent of Public Instruction to borrow the sum of THREE HUNDRED THOUSAND DOLLARS (\$300,000), and to issue its notes therefore in anticipation of the receipt of 1969-1970 State appropriations undistributed to this district under Act No. 312 of the Public Acts of 1957, as amended, for the purpose of obtaining funds to operate the school district; and

WHEREAS, Manufacturers National Bank of Detroit has offered to purchase such notes at par, to bear interest at a stated rate of 3.98% per annum; and

WHEREAS, it is deemed to be in the best interest of the school district to accept the offer of Manufacturers National Bank of Detroit;

NOW, THEREFORE, be it resolved by the Board of Education of said school district as follows:

That the offer of Manufacturers National Bank of Detroit to purchase such note or notes shall be and is hereby accepted. That Manufacturers National Bank of Detroit, a national banking association, be and is hereby appointed paying agent for such note or notes.

Resolution adopted.

Motion by Budd, supported by Canejo, that the meeting be adjourned.

Motion carried unanimously.

Meeting adjourned at 5:30 p.m.

Respectfully submitted,

Davis B. Draper,
Secretary
Board of Education

SPECIAL MEETING
July 28, 1969

The Special Meeting of the Board of Education was called to order at 7:35 p.m. by Vice President Canejo in the office of the Board of Education.

Roll call showed members Oakley, Hoffer and Morris absent. Messrs. McConeghy, Jakad and Janack were present.

Letter dated July 16th from the Romulus Township Parks and Recreation Commission requesting use of the High School Football field on December 6th for the purpose of alighting Santa via Helicopter, also the use of the school parking lot for assembling the Santa Parade.

Motion by Budd supported by Draper, that permission be granted for use of the requested high school facilities for December 6th.

Motion carried unanimously.

Letter dated July 14th from Mrs. Betty Wilson and Mrs. Betty LeFevre regarding the transfer of children from Hayti to Beverly, and requesting placement on the July 28th agenda.

Mr. Oakley entered the meeting at 7:43 p.m.

Motion by Budd, supported by Draper, that Mrs. Wilson and Mrs. LeFevre be placed on the agenda immediately after personnel recommendations.

Motion carried unanimously.

Office memo addressed to the superintendent from Mr. Janack and dated July 28th, regarding price quotations on interest rates for the loan on seven (7) 1969 school buses.

Motion by Draper, supported by Oakley, that the bus loan from Wyandotte Savings Bank at the quoted rate of 5 1/2% be approved.

Motion carried unanimously.

Motion by Lovette, supported by Draper, that the Treasurer's report be accepted as presented.

Motion carried unanimously.

The superintendent of schools requested that the board rescind motion awarding contract to Wyandotte Office Equipment for the purchase of Board of

Education furniture, and authorize re-bid of same; explaining that the owner of the company has died and the salesman who was the primary contact is no longer with the firm.

Motion by Oakley, supported by Draper, that the motion awarding the contract for Board of Education furniture be rescinded and the furniture be re-bid; further, that Wyandotte Office Equipment be invited to bid.

Motion carried unanimously.

Motion by Lovette, supported by Budd, that the equipment and site improvements for Cory and Mt. Pleasant Elementary Schools as recommended by the superintendent, in the amount of approximately \$14,755, be approved.

Motion carried unanimously.

With regard to kitchen equipment for the Commercial Foods Department at the High School, three (3) bids were received for this equipment.

Motion by Draper, supported by Budd, that the low bidder, Canton China and Equipment Company, be awarded the contract for commercial food equipment in the amount of \$23,409.

Motion carried unanimously.

Report on the possibility of obtaining food service equipment through the Vocational Education Act for three eligible elementary schools; Gordonier, Romulus El. and Beverly. The superintendent recommended purchase of this equipment using \$4,000 from the budget allocation for commercial food equipment.

Motion by Budd, supported by Draper, that bids for food service equipment for the three eligible elementary schools be requested, and the \$4,000 allocated in the budget for commercial food equipment be encumbered to pay for same.

Motion carried unanimously.

Portable classrooms at Mt. Pleasant will not be necessary this year. It was suggested that they be moved to Harrison to alleviate the classroom shortage at that school.

Motion by Budd, supported by Lovette, that three (3) portables be moved to Harrison as soon as possible.

Motion carried unanimously.

Clarence Hoffman Replies

(Editor's Note: Clarence Hoffman, of 43912 Dunn, Sumpter Township, member of the Township Board and United Homeowners Association of Sumpter submits below his reply to statements made last week by Supervisor William Gouger, one of the four members of the Township Board that the Homeowners Association have named in a Recall Campaign.)

In the past issue of the newspaper, Mr. Gouger made some statements which I feel are misleading. First, he is trying to tell the people that I am participating with the recall for political ambitions. This is obviously untrue because I am not running for any office as my term for Township Trustee does not expire until January, 1973.

He further claimed that I was fired from the Police Department by Kozma for refusing to take a test. The truth of the matter is that I challenged the administration testing procedure because it was discriminatory.

I asked for a hearing before the Board but was denied my right of hearing. There is no record in the minutes of my discharge only that my hearing was denied.

I was an Elected Constable for 11 years and also served with the Police Department. I was vice-president of the Wayne County Branch of the Michigan Constables Association. While I was in the armed service I served as a Military Policeman. I know something about police work and when the Kozma-Gouger administration took over I saw what they were doing.

The others are friends and relatives of the administration. The discriminatory testing device was a means of creating vacancies for political appointments. One police officer was fired after he wrote the Township Clerk's wife a ticket.

If Mr. Gouger does not think that I was not a qualified policeman, then why did he offer me the Police Commissioner's job if I would stop associating with Elmer Parraghi? If I would become a part of the administration I would run the police department, but if

I do not play their politics then I'm not qualified, as a policeman. ***

MR. GOUGER accused me of working with the opposition. If my objections to the administration's tactics and protecting the Township's citizens interest is opposition; I will have to concede and conclude from this, that if you work for the people, you are the opposition.

I am further convinced of this, when they have their private board meetings and do not invite me to help them out and dry their schemes. I feel that all Board Meetings

should be opened to the public.

It also seems that Mr. Gouger has hard feelings toward certain persons in this township. Could it be because it was questioned whether it was a conflict of interest for him to hold down two jobs and draw two salaries from the township?

Mr. Gouger can't seem to make up his mind what office he wants to hold. He has resigned twice as clerk, now he's Supervisor. This is really a farce.

KILLED IN VIETNAM

Services Conducted For James Davis

BELLEVILLE--Marine Private First Class James William Davis, 20, killed while serving in the Vietnam War, has been buried in Washtenaw Memorial Cemetery, Ann Arbor.

Funeral services for the young soldier, who was fatally injured at An Hoa, Vietnam on Aug. 13, 1969, were held from Roberts Bros. Inc., Funeral Home last Saturday, Aug. 23 at 10 a.m. Rev. Robert MacDonald, pastor of Trinity Episcopal Church of Belleville,

officiated at the services.

Mc. Davis, who resided at 1375 East Cross Street, Ypsilanti, was formerly a resident of Belleville. He is survived by his wife, Suzanna Rowe Davis, son, Mathew Laffin Davis, his parents: William and Gretchen Davis now of Louisville, Ky., but formerly of Belleville; brothers: Philip R. Davis of Ypsilanti, Paul L. Davis, residing at home.

Grandmothers Mrs. J. Will Davis of Columbus, Miss., and Mrs. Marguerite Raube of Berea, Ohio, also survive.

Belvil Hospital Accredited

BELLEVILLE--The Belvil Community Hospital, a 70-bed medical facility located at 105 Main Street, has received full accreditation from the Joint Accreditation Committee of the American Hospital Association.

Word of Belvil Community Hospital's accreditation Committee of the national body is an accomplishment of the administrative and medical staffs of the Belvil Community Hospital, Hinchey said.

The Belvil Hospital has also been accepted as a member by both the Michigan Hospital Association and the American Hospital Association.

Membership in these Associations is a credit to those hospitals that meet the qualifications for membership in these Associations, it was stated.

Meeting Today on Title III

BELLEVILLE--There will be a general meeting to discuss Title III of the Elementary and Secondary Education Act this afternoon, Wednesday, Aug. 27, in the Board Room of Van Buren Public Schools' Administration Building.

The meeting begins at 1 p.m. and will last until 3. Interested parents and community members are invited to attend.

The director, Mrs. Susan C. Boulter would appreciate having anyone interested in working with the project contact her at the Administration Building.

Hospital Lists New Service

BELLEVILLE--The Belvil Community Hospital recently announced a new service for Senior Citizens.

The new service provides professional assistance to Senior Citizens from Belleville and surrounding areas with their hearing problems at a minimum of cost.

William E. Hinchey, hospital administrator, announced that the Belvil Community Hospital secured the services of Larry J. Koch, M.S., of the University of Michigan Speech & Hearing Clinic to aid the Senior Citizens with the individual hearing problems.

The telephone number to call if in need of this service or for further information about the new program is OX 7-8011.

It was incorrectly listed in an earlier issue.

Harris Aboard Destroyer

BELLEVILLE--Fire Control Technician Third Class Allan R. Harris, USN, son of Mr. and Mrs. Albert R. Harris of 10151 Belleville Road, is serving aboard the guided missile destroyer USS Cochrane off the coast of Vietnam.

The Cochrane provides fire support for ground forces in Vietnam. Air spotters provide the Cochrane with detailed information on the location of enemy targets. Using this information the ship can aim its missiles at targets which are dangerous to American troops ashore.

Chamber Chatter

BY THEODORE F. KUCKELMAN
Executive Director

"The young medical lieutenant walked past the ward each morning. In the yard, one of the inmates was always going through all the motions of winding up and pitching an imaginary ball.

One of his friends finally asked, "Why do you stop each morning and watch that screwball go through his act?"

"Well," he answered, "if things keep going the way they are, I'll be in there some day catching for that guy and I want to get onto his curves."

There will be a full board and membership meeting with ladies and wives invited, Sept. 25. Social hour will be at 6:30 p.m. and dinner at 7 p.m. Outstanding speaker at Rogalle's.

The Board accepts with regret, the resignation of Donald Walters, who is taking a new position and will be traveling considerably in the state of Michigan. Let us all wish him success in his new work.

Joel Clark was elected treasurer, effective at once.

The board approved the new By-Laws. The full Board and Membership will be asked for approval at the Sept. 25 meeting.

Robert Brown, better known as Bud, owner of Bud's TV, was elected to the Board to serve the unexpired term of Don Walters who resigned.

Larry Boelter, chairman of the Water Pollution Committee, gave an interesting and factual report. He is writing letters to U.S. Senator Hart, State Representative Mahalak, Governor Milliken, and Congressman William E. Ford.

The meeting was closed with the introduction of our new office secretary, Sandra Duford, 10925 Belleville Road, Belleville. She is a senior and a co-op student at Belleville High.

Missing from the picture is Paul Vas. Managers are Bob Bogardus and Frank Ivan. The team is sponsored by Draw Tite, who is represented by Al Warren.

BY JIM BRADLEY
ANP Sports Writer

Behind the stellar pitching of Greg Ivan and the slugging of third sacker Bill Dudley, the White Sox have won the Van Buren Little League Championship for 1969.

Twelve-year-old Greg suffered a broken left arm early in the year and didn't get into action until very late in the season. But once he got in, he made his presence felt in no uncertain terms. The fire-balling youngster won 6 straight games, including three of his team's last four regular season contests to earn them a tie for the American Division Pennant with the Tigers and Yankees.

Having accomplished that feat, young Ivan baffled the Tiger and Yankee batters, giving up only one hit to each club in the three-way playoff as the White Sox dumped the Yanks, 2-0, and took the Tigers, 3-1. Then the outstanding hurler faced the Dodgers in the championship game at Little League Park on W. Huron River Drive.

The Dodgers, reigning champs and winners of the National Division for the third consecutive year, were

out to continue their domination of little league in the Belleville area. But Greg had other ideas and set down the Dodgers with just two hits as his mates scored three in the first inning and three in the third to win, 6-1.

The road to the championship was a bumpy one as the Sox trailed the Indians, 2-1, in the 2nd inning of the final season game. Greg relieved starter Bill Dudley when wildness got him in a hole and the sturdy youngster silenced the Indian bats the rest of the way as the Sox' hitters came alive to claim a 9-3 victory and a 10-5 record which tied them for first place with the Tigers and Yankees.

In the playoffs to see who would represent the American League against the dangerous Dodgers, the Sox met the Yanks first. Ivan blanked his foe on just one hit, 2-0, and also wielded a big bat at the plate. Rich Ivan, Greg's brother, doubled in the third, moved up on Greg's single and rode home on Dudley's double. The Yanks' Zeke Church singled in the 3rd for their only hit.

Rich Ivan singled to open the fifth and was forced at

second by Greg Ivan. Dudley walked and Joe Warren's single brought home the Sox' last run.

Moving into the game against the Tigers, Rod Sullens opened the game by reaching first on an error, moved to second on a fielder's choice and came home on Greg Ivan's one-baser to center. George Rohler's roller was bobbled by the Tiger shortstop in the 2nd and Ralph Armbruster walked. Danny Trammell singled Rohler home.

Errors by the Tigers donated the final Sox run. Errors permitted Greg Ivan and Dudley to reach base, but Ivan was nailed trying to race to third on Dudley's bobbled grounder, but Bill took second on the play. Another error, this one on Rohler's grounder, allowed Dudley to score the final run in the 3-1 victory. The only Tiger run came on a single, an error and passed balls.

A large crowd showed up for the showdown battle between the National League Dodgers, winners for the third consecutive year, and

the upstart White Sox. Lee Stiltner was sent to the mound for the Dodgers and Greg Ivan again got the nod from Manager Bob Bogardus and Coach Frank Ivan. Ivan was able to pitch for the third time in a row because of the rule which waives the normal limitation of a pitcher during the regular season.

The White Sox settled the issue very early. Rod Sullens reached first on an error and Rich Ivan walked. Then Dudley, the star for the White Sox all year with his big bat, blasted a long home-run to rocket his team into a 3-0 lead.

The Dodgers' centerfielder, Rod Green, cleared the left center field fence with a solo blast in the 3rd to make the count, 3-1, for the Sox.

In the bottom of that same inning, the winners' bats

came alive again. Rod Sullens doubled and raced home on Rich Ivan's single. Dudley singled. Rich Ivan home and Joe Warren hit the ball through the Dodger 3rd sacker allowing Dudley to score the final run, in the 6-1 championship victory.

Dudley had 2 for 3 in the game, Rich Ivan was outstanding with the glove at shortstop and Doug Bogardus played a steady centerfield. The Sox only made one error in the three playoff games, an outstanding feat for such young players.

Dudley led the Sox in the hitting department, slugging 20 hits in the 18-game season, batting .528 and driving in 23 runs. Greg Ivan hit .542 in the half season he played besides hurling magnificently. Rich Ivan clubbed 21 hits in posting a .362 average while Rod Sullens got 20 safeties for a .333 mark.

Boisture Greets 57 EMU Hurons

Hoping that his ball club will pick up right where it left off last season, Eastern Michigan University head football coach Dan Boisture is preparing to greet a select group of fifty-seven varsity football candidates this week.

The 1968 Hurons, a team that improved rapidly during the course of last season's ten game schedule, closed the fall campaign with a string of four straight triumphs and a seventh place ranking in the final nationwide Associated Press college division poll.

Now, Boisture wants to keep that momentum alive as he prepares his club to face a tough and demanding 1969 schedule.

The Hurons open the season on the road against rugged Ohio Valley Conference foe, Murray State on September 20. They come home the following week to host Akron in the inaugural game on the turf of the beautiful new Rynearson Stadium. The remainder of the home schedule features contests with Kentucky State, Tampa, and Montana State. The clash with Tampa pits the Hurons against one of the teams that defeated EMU last season. The occasion of the October 25 clash will serve as the dedicatory game for the new grid home of the Hurons.

The team that Boisture and his staff greets on August 28 will be an experience laden team composed of

thirteen seniors, sixteen juniors and twenty-seven sophomores. This contrasts with teams that Boisture has fielded in past seasons. Those clubs were mainly freshman and sophomore in composition. The 1968

squad, by way of comparison, listed only five seniors among its ranks.

While the losses off last season's team, that won eight of ten encounters, were small in number they were large in

quality. The Huron grid staff must come up with replacements for all-Americans, John Schmidt, an offensive center, and defensive halfback Garry Grady, quarterback Arnold Fontes and linebackers Ivory Hood and Glenn Crane.

Foremost among the returnees are defensive tackle Bob Lints and offensive center John Sharp. Lints, a 6' 2", 234 pound senior tackle is being watched closely by the pro scouts. The Brown City, Michigan native is extremely quick, with tremendous pursuit, and soundly schooled in the mechanical fundamentals of defensive line play.

Sharp, on the other hand, is the key to the offensive line. After three seasons of varsity play with the defensive unit, the 6' 3", 245 pound senior from Warren has been tabbed to fill Schmidt's shoes as the keystone of the offensive line. Sharp had a tremendous spring before a leg injury, suffered in the last week of practice, caused him to miss the annual spring game.

Fan interest will probably center around the spirited battle for the starting tailback slot. In the thick of that scramble are senior Dennis Hewitt and junior Larry Ratcliff. Hewitt broke most of the Huron single season rushing records last season when he rambled for 607 yards from Boisture's slot-I offensive formations.

The battle for the nod at tailback is just one of many that will take place when the select fifty-seven begin those two day drills for the right to be in the starting lineup on September 20.

Wayne State Has New Football Ticket Plan

Wayne State University's athletic Department has announced two new ticket arrangements for this fall's home football schedule in addition to a previous policy on student and faculty-staff tickets that will be retained.

Wayne State students and faculty-staff members will continue to be admitted to games on the presentation of the I.D. cards.

In addition, they will be given the opportunity to purchase additional tickets to unlimited quantities for their guests prior to game days. The price will be \$1.50 per ticket at the University Ticket Office and students must show their I.D. cards to purchase these tickets. The price at the stadium ticket office on game day will be \$2.

WSU has also announced that it will make available 2,000 reserved seats for Alumni in the new WSU Stadium on a season ticket basis. The charge will be \$6 for the four home game, and offers a \$2 saving over the at-the-stadium cost.

Additionally, season-ticket holders will be given the opportunity to purchase single-game tickets in advance of the game date for their guests at \$1.50.

All ticket requests may be channeled through the University Center Ticket Office, Student Center, Wayne State University, Detroit, Mich. 48202.

Athletic Alumni at WSU, a growing list of persons, are receiving a ticket order flyer explaining the season-ticket plan.

WSU's first game is at home on September 20 against 1968 unbeaten Ferris State. However, WSU's classes do not begin until Sept. 25 and registration will not be completed prior to the first game. WSU's other home dates include Bradley (Oct. 11), UI-Chicago Circle (Nov. 1-Homecoming) and Central Michigan (Nov. 15). All games will start at 1:30 p.m. EST.

Stager Warns Parents To 'Ease Off'

"PARENTS VERY OFTEN put too much pressure on their youngsters," comments Gus Stager, head swimming coach of the University of Michigan.

Stager claims that some parents who have children in age-group swimming get too wound up in their youngsters.

PARENTS SHOULD ATTEND a swim meet for the enjoyment of watching their children swim," he says. They can best encourage their sons and daughters by just being at the meets. Swimmers have all the pressure they need (and often tolerate) through their teammates, the coach and the competition.

"Criticism, second guessing and excuse making have no place in the parent's vocabulary. If the above is used at all-it should be left to the coach.

"Ease off," Stager warns parents. "Let the coach relate the race performance to your child. Coaches object to parents, who do not really understand swimming, interfering with what they are trying to do. Parents sometimes expect more of their children than the coach does."

\$50,000 Stake Races

Two stake races, totaling \$50,000 will highlight the Labor Day weekend's double-barreled program at the Detroit Race Course, and traditional record crowds are expected to witness the 10-race holiday programs on Saturday, Aug. 30, and Monday, Sept. 1. Post time each day will be 2 p.m.

The \$25,000-added Frontier Handicap, for three-year-olds and upward to be run at a mile and one-sixteenth on Saturday, has drawn 32 top-notch nominations, while the \$25,000-added Labor Day Handicap, which will top the Monday holiday program, shows 49 nominations. It will be limited to three-year-olds only, also going at a mile and one-sixteenth.

Among the stake winners named in the Frontier field is

Thaddeus R. Trout's Balustrade, Victor earlier this month in the Philadelphia at Atlantic City.

Listed in the gelding's other conquests are the Monmouth Invitational Handicap, the Leonard Richards stakes and the Ventnor Turf Handicap.

Likely contestants for the title among other Frontier nominees are such winners as Perne L. and Charles T. Grissom's outstanding filly, Miss Ribot who won the \$30,000 1968 Milette Handicap at the DRC, Hobeau Farm's Beakins, Richard Taylor's Irish Dude, and John L. Smallman's Laughing Bill.

Beakins was winner of the Tobaggan Handicap at Aqueduct, while Irish Dude scored in the Louisiana Handicap.

Huron 'Nine' Invited To County Tournament

Eastern Michigan University Athletic Director F. L. Ferzacca and head baseball coach Ron Oestrike have announced the Hurons acceptance of a bid to play in the Second Annual Orange County Invitational Baseball Tournament March 23-28, 1970, in Anaheim, California.

The eight team round robin tournament will be played at LaPalma Park in the California city.

Other teams that will be participating in the six day tourney are Brigham Young, the University of Oregon, the University of Wyoming, Chapman College, University of California Irvine, California State-Fullerton and California State Long Beach.

Oestrike's Hurons finished the 1968 season with a record of 29-10 and over the past three seasons have compiled an amazing 87-40 mark for a 684 percentage.

The Orange County tournament is just one part of

the most attractive baseball schedules ever undertaken by a Huron team.

The 1970 schedule features fourteen home games in the Hurons 2,000 seat stadium. It also will pit Oestrike's

The Scouting Skills Day Camp had another successful season of eight weeks on Belle Isle.

Police Shoot Scheduled For Sept. 4

The thirty-second annual Michigan Police Shoot, or Governor's Trophy Match, will get underway at 8 a.m., Thursday, Sept. 4, at the R. V. Gray pistol range at Jackson.

Entries for the one-day meet, largest of its kind in the country, are expected to number about 500 individuals on about 150 teams

representing about 90 departments.

Defending champions are the State Police in Class AA, Lansing in A, Jackson in B, Taylor in C and Marysville in D. Individual champion last year was Earl Hamb, Detroit policeman.

The tourney is sponsored by the Michigan Association of Chiefs of Police with

assistance from the Sheriff's Association and the State Police.

The Fletcher pistol match, the annual State Police departmental meet, will be held Wednesday afternoon Sept 3 also at the Jackson range. District and individual champions last year were Paw Paw and East Lansing Trooper Elwyn Burnett.

First Aid Course Offered

ROMULUS-A special 30-hour First Aid Course will be given by the American Red Cross at their West End Office, 2440 South Telegraph Road, in Dearborn. The class will start Tuesday, Sept. 16 at 7 p.m.

Mr. and Mrs. F. L. Aseltine will serve as instructors. Please call 274-5450 to register.

Cheer Leading Clinics

The Michigan High School Athletic Association will stage its seventh biennial State High School Cheerleading Clinics at four universities during the month of September and October.

The clinics will also feature representatives from the National Cheerleading Foundation, under the supervision of Randy Neil.

The clinics will be held on Sept. 6 at Northern Michigan University Fieldhouse in Marquette; on Sat., Sept. 13 at Central Michigan University Fieldhouse in Mt. Pleasant; on Sat., Sept. 20 at Eastern Michigan University Bowen Fieldhouse in Ypsilanti, and Sat., Oct. 4 at Western Michigan University Men's Physical Education Building.

Each school planning to attend a clinic should send in an advance notice.

Give Uniforms

ROMULUS -- Ownership of the Little League Baseball uniforms has been transferred to the Little League Baseball Organization of Romulus Township.

The Township Board in approving the transfer of ownership Aug. 18, felt that the uniforms in their present condition are a liability to the Township.

Roderick E. Smith, township supervisor, reported that the uniforms were apparently purchased through donations made to the league by the Department of Parks and Recreation, and the Township felt that the cleaning and storing of the uniforms was a liability.

Now parents of the players will have to keep them clean and store them for future play.

FOR \$60,000 PURSE

MAKE YOUR RESERVATIONS NOW! Watch the fastest and most exciting big sports cars in action on the MIS Irish Hills 3-1/3 mile road circuit, Sunday, September 28, 1969. Former world's champion driver Stirling Moss predicts: "The most spectacular racing in the history of racing. The unprecedented size of this year's awards should provide both American and Canadian racing enthusiasts with the best possible blend of top North American and European drivers." With over \$1,000,000 in total prize money, the 1969 Can-Am races become the richest and most important racing series in the world today.

engines capable of 200 mph from 600 horsepower. The Can-Am is a drivers' championship with points accumulated in the eleven race series. The 1969 purses are all set at record amounts of \$40,000 to \$60,000. Three races are in Canada under the Canadian Automobile Sports Clubs and the balance is staged by the SCCA in the U.S.

For a finale, there is a \$200,000 pot of gold - the extra point fund established by the SCCA and sponsored by the Johnson Wax Company for the drivers with the most points.

With racing greats from Europe, New Zealand, Australia and North America, supporting companies from everywhere and eleven of the best road courses, auto racing has its premier 1969 attraction in the Can-Am.

The Michigan International Canadian-American Cup 200-mile road race, Sunday, September 28, 1969, puts a \$60,000 cap on MIS' 1969 Tournament of Speed. The scenic Irish Hills

multi-million dollar facility has presented many new concepts to motor racing to the Midwest this season. The forthcoming Can-Am event promises to be just as thrilling and exciting as the previous Trans-Am road race and the three wild and woolly NASCAR affairs staged at MIS this year.

American drivers will join the best from Europe and Canada for the September 28th event - the newest phenomenon in this colorful spectator attraction - the 1969 Canadian-American Challenge Cup road racing series for the world's fastest cars. This exciting series has mushroomed in popularity in just four short seasons.

Jim Kaser, the SCCA's director of professional racing predicted: "A number of top drivers will stay within reach of the overall championship under a new scoring system. In addition, awarding points to the ten top finishers in 1969 will reward consistency and give more drivers a better chance to earn a share of the point fund. In both the point fund and in the race purses the relative awards are way up for the good finisher. And by sustaining the points scramble through the series we should have some great spectator attractions. We still have contingent awards by industry to add to the guaranteed \$740,000.

'Stormin' Norman' Voted King Tiger

In a poll of the more than 3,000 members of the Tigers' 45 registered fan clubs, Norm Cash has been selected as "King Tiger of 1969".

Rosemarie Lunek, who heads Jim Northrup's fan club, will assist Miss Finazzo with the ceremony.

Members of all fan clubs certified on August 1 will be guests of the Tigers on Fan Club Day, entering at Gate 3 upon presentation of printed fan club membership cards.

Jim Northrup was the runnerup in the teenager fan club election.

Results of the balloting were announced by Miss Benay Finazzo, president of the Tiger Fan Club Association which conducted the poll.

Cash's election breaks a two-year reign of Bill Freehan as "King Tiger," the Tiger catcher was the winner in 1967 and 1968.

"Stormin' Norman" will be crowned and runnerup Northrup honored in a pre-game ceremony on the 9th annual Fan Club Day, Saturday, Sept. 6. The Tigers and Baltimore Orioles will meet at 1:15 p.m. that afternoon.

U.S. Funds For A Lobby, None For DCM Shooters?

Comparing certain Federal policies of the recent past with older, traditional government programs can produce some acute shocks.

One such clash of purposes directly affects civilian marksmanship and the sale of surplus military arms to eligible private citizens through the Director of Civilian Marksmanship, Department of the Army.

Back in 1903, the Congress enacted a law authorizing Army support of civilian marksmanship as a needful measure of national defense. As recently as a year ago, Congress reiterated its support of such a program by refusing to cut funds for it.

Yet, after the National Rifle Association stood up for the right of free, law-abiding Americans to own and use firearms legitimately, without registration and other bureaucratic harassment, the Johnson Administration chopped down the DCM program to a stark minimum by executive action.

The assigned reason was the high cost of the war in Vietnam. But as some Congressmen and other spokesmen for firearms ownership charged, the real reason was to retaliate against the NRA and others who opposed repeated demands for nationwide registration and licensing.

In contrast to this treatment, the National Student Association, a campus organization which hazily claims a membership slightly larger than the NRA, was richly financed by the Central Intelligence Agency for several years. When that form of Federal financing was revealed and stopped, the Office of Economic Opportunity subsidized the student group to the tune of more than \$800,000 in tax funds.

And what service to the Nation has the National Student Association rendered in return for some of this bounty from the Federal government? Among other things, according to an Associated Press dispatch from Washington, D.C., it "opposes the war in Vietnam and lobbies with Congress (emphasis added) on such issues as keeping student discounts on airline fares."

So it appears that the National Student Association lobbies despite a direct Federal subsidy that goes into its treasury. The NRA was unjustly accused of something of the kind by such people as Sen. Thomas J. Dodd, of Connecticut, although not one iota of DCM money went into the NRA treasury. Consider the contrast:

The NRA, which helps to train young Americans to shoot straight in time of war, is cut off from Federal support amid cries of "lobby" for upholding the untrammelled right of law-abiding Americans to bear arms.

The National Student Association, which opposes the war against Communism in Vietnam, gets fat subsidies while allegedly lobbying for cut-rate plane fares and opposing military preparedness in the face of a world menace.

When the Federal government-or at least the past Administration-does such things, where does it leave public confidence?

The present Administration has a fine chance to do a good job of restoration in this area.

Health is Major Concern Of Country's 4-H Youth

A group of hand-picked 4-H teenagers representing nearly every state recently held a three-day workshop in Washington, D.C. on major health problems of youth throughout the U.S.

The 4-H'ers are especially interested in health because every one of the 3 1/4 million members has "pledged my health to better living." The fourth H in the 4-H emblem represents "Health."

Their prime concern is to

learn more about the widespread use of narcotics among students; what lies ahead for boys and girls who start smoking as young as 10; why 1 out of 15 teens is a potential alcoholic; and why so many teens are mentally ill, resulting in the high incidence of suicide among them.

THE NATIONAL 4-H Health program was set up years ago by the Cooperative Extension Service so that children would become aware of the importance of sound physical and mental health for themselves.

Establishing every-day habits of good health is No. 1 on their list. Personal projects cover many aspects including safety, sanitation, poisons, and other hazards common to home and community.

At the end of the 4-H Club year, health projects are summarized by the members, and evaluated by local 4-H leaders and Extension Service personnel. The most outstanding individual projects are then considered for various awards provided by the health program sponsor, Eli Lilly and Company of Indianapolis, Indiana.

AWARDS For each state are the same. The 4-H'er who completes the most noteworthy project will be a delegate to the National 4-H Congress held in Chicago, Ill.

CITY OF BELLEVILLE COUNCIL PROCEEDINGS

REGULAR MEETING

AUGUST 18, 1969

A regular meeting of the City Council for the City of Belleville, County of Wayne, and State of Michigan, was called to order by Mayor Smith, with Councilmen Hamlin, Boone and Amerman present.

Councilman Palmer Absent.

Motion by Amerman, seconded by Hamlin, that the minutes of the regular meeting held August 4, 1969 be approved.

Carried Unanimously.

Motion by Boone, seconded by Amerman, that the bills presented for payment, be paid.

Carried Unanimously.

Motion by Amerman, seconded by Boone, that the City Treasurer's report for the month of July 1969, be accepted.

Carried unanimously.

Upon Motion by Amerman, supported by Councilman Boone, that the following Resolution was offered:

RESOLUTION

WHEREAS, the Wayne County Treasurer's Office has collected these taxes for all municipalities within the County of Wayne for the past twenty-one years, and

WHEREAS: The County Board of Supervisors has passed a Resolution requiring the Treasurers of the Individual Townships and Municipalities of Wayne County to collect their respective delinquent Personal Property Taxes effective March 1, 1970, the date when the 1969 taxes will become delinquent; and

WHEREAS, THE Wayne County Treasurer's Office has over these years developed an experienced and qualified staff who have performed a remarkably excellent job; and

WHEREAS: the Wayne County Board of Supervisor's resolution does in effect discard the twenty-one years of experience the Wayne County Treasurer's Office has had and now throws the burden on the local municipalities who do not have this background of experience and expertise; and

WHEREAS: the overall cost to the individuals municipalities in legal, administration and collection expenses will be a considerably greater taxpayer burden and heretofore.

NOW, THEREFORE, BE IT RESOLVED, that the City of Belleville does hereby urge the Wayne County Board of Supervisors to reconsider or rescind their action taken on this matter at their May 22, 1969, meeting.

BE IT FURTHER RESOLVED, that copies of this Resolution be forwarded to the Wayne County Treasurer, the Board of Supervisors and all municipalities within Wayne County.

Ayes: Hamlin, Boone, Amerman, Smith.

Nays: None.

Absent: Palmer.

Upon Motion by Boone, and supported by Amerman, that the following resolution was offered:

RESOLUTION

WHEREAS, H.B. 3734 would authorize County Boards of Supervisors to maintain voting registration records and thereby eliminating registrations by Cities, Villages and Townships, and

WHEREAS, Cities and Townships have been for a great number of years maintained their own registration records and are capable of continuing this operation on behalf of its residents, always performing an outstanding job;

NOW, THEREFORE, BE IT RESOLVED, THAT THE Mayor and City Council of the City of Belleville, opposes H.B. 3734 and

BE IT FURTHER RESOLVED, THAT copies of this resolution be forwarded to State Senator William Faust, Representative Edward Mahalak, Governor Milliken and all cities and Townships in Wayne County indicating our opposition to H.B. 3734.

WON SCHOLARSHIP

Scoutmaster Returns From Farm-City Scouting Meet

BELLEVILLE-Gaylord C. Bauer of 10226 Clayton, Scoutmaster of Troop 754, sponsored by the Quirk Road School PTA., has just returned from participating in a Farm-City conference at Philmont Scout Training, Center, Cimarron, New Mexico, for which he received a scholarship from the National Council, Boy Scouts of America.

The scholarship for himself and Mrs. Bauer was awarded on a basis of outstanding leadership in Scouting, Church, Civic, and other community organizations.

The National Rural Scouting Committee of the Boy Scouts of America launched this program fourteen years ago as a means of paying tribute to the thousands of service and community minded men across America who give so much of their lives as volunteer leaders to boys through the Scouting movement. Only 140 men from all fifty states received scholarships this year.

THE PURPOSE of these conferences is to study the newest and most effective program ideas and outreach methods to the changing population characteristics of our times. These scholarships are made available by the Sears-Roebuck Foundation, the National and State Associations of Soil and Water Conservation Districts, members of the National Rural Relationships Committee of the Boy Scouts of America.

The goal of Scouting is to prepare boys to achieve their full adult potential as responsible citizens. A trained Scout leader is the key to achieving this goal.

The men who have received Philmont Farm-City Scholarship recognition have made the Scouting goal effective in the lives of the boys in their respective communities. They represent a million other Scout leaders throughout the nation who are making similar contributions to boys.

Their contributions of time and concern underscore again the importance of the volunteer in the social structure of our nation.

Bauer has been the Scoutmaster of Troop 754 for the past 2½ years and has 26 active boy Scouts. He is a member of the Bethany Baptist Church.

Under his fine direction, the troop has an extended conservation project in the Metropolitan Park and does many good turns for the sponsor institution.

Security Moves Up Among U.S. Banks

LINCOLN PARK-Security Bank & Trust Company has moved up 11 notices to rank 215th place among the 300 largest banks in the nation, according to the American Banker, a newspaper for financial institutions.

The ranking is based on total deposits. Security Bank's deposits hit a record high of \$233,230,068 on June 30, 1969, an increase of \$11,258,972 over the year end figure of 1968.

Legally Parked is Not Enough Says Institute

Legally parked is not enough, warns the Institute for Safer Living. The question to answer is — are you parked safely?

A defensive driver never relies upon the correct and skillful action of others in safeguarding his own vehicle from damage. He has to look ahead so that he won't become involved as a part of

somebody's else's error.

The Institute for Safer Living of the American Mutual Liability Insurance Company reports if your car was an egg — or your head was where your bumper is — it is quite probable that you'd quickly acquire a space-age concept as to where and how you parked your vehicle. Which would be most important then, the fact that you were parked correctly within the yellow lines, in accordance with the letter of the law, or that you had enough space cushion around you to make the skillful action of adjacent vehicle drivers less important as a factor of your own safety?

The action of a driver who parks his vehicle across the street from somebody's driveway, parks in back of docked vehicles or cars parked diagonally at a curb, just doesn't compute with concepts of defensive driving. Neither do the actions of the driver who parks his vehicle on a grade, illegally, without using wheel blocks, setting his brakes or turning his wheels into the road edge downhill or away from the road edge uphill.

Lack of foresight and good judgment are also evident in the actions of the driver who legally parks his vehicle close to a blind intersection, adjacent to construction equipment or a building undergoing repair.

Defensive drivers continuously analyze their surroundings, recognize the development of potential hazards and always seek a safer alternative to the acceptance of a known risk.

'Bombshell' To Debut At 24 Karat

Bea Bea Benson, an exciting pianist, songstress and risqué comedienne, will headline entertainment at the 24 Karat Club, 16890 Telegraph, for four weeks beginning Tuesday, Sept. 2.

This will be the first appearance here of the explosive blonde bombshell but she won the title "Miss Showmanship" in appearances elsewhere.

Impresario Harold V. Wiggle, who signed her for the 24 Karat Club after watching her act in one of the nation's top clubs, said:

"She's an exciting personality. Her comedy is top drawer and her special material is refreshingly risqué."

"Bea Bea is a great entertainer, uninhibited and the master of the ad-lib. She says what comes naturally, much to the delight of her audience and admirers. Her vocals and piano magnetism had the customers yelling for more."

Also on the bill is the veteran Harry Harris, 77-year-old original partner of Jimmy Durante, singing nostalgic songs and parodies of the gay 90's.

The popular Lennie Schick Quartet provides backup music for the acts and for dancing.

Stage shows are at 8:30, 10 p.m. and 12:30 on Saturday nights and at 9:30 and 11:30 p.m. Monday through Friday.

Reservations are recommended. Call 538-4455.

Wonderland Slates Songfest

"Sing Out Livonia" will hold a summer concert on Saturday, Aug. 30, at Wonderland Center, Plymouth at Middlebelt, Livonia. The concert will be held on the Wonderland stage at 2 and 4 p.m.

The group consists of 25 teenage members; however, the summer concert will feature half of its membership.

"Sing Out Livonia" is part of the international program, "Up with People." The program began when a group of teenagers decided to do something about the bad image teenagers of this generation have been receiving. This feeble beginning has grown into three traveling casts and about 430 regional casts.

James O'Neil at the Livonia Youth Conference started the local cast. Most of the young people in the group have been doing volunteer work at the Plymouth State Home and have also aided other noteworthy organizations.

The concert at Wonderland will consist of about 12 songs and a speak-out explaining the group's purposes. Some of the songs to be presented are "Freedom Isn't Free," "What Color is God's Skin?", and "Up with People."

Foreign Ford Sales Boom

Ford dealers outside the United States and Canada sold a record number of cars and trucks in the first half of 1969 and continued to lead dealers for all other U.S. manufacturers in such sales, announced Robert Stevenson, executive vice president - Overseas Automotive and Tractor Operations.

'A Funny Thing' Isn't at Hilberry

By ALAN KROKER
ANP Amusement Critic

Overconfidence can be a disaster in the theater and there is no guarantee that what was once effective is required to remain effective without a reasonable amount of effort. The Wayne State University Hilberry Classic Theatre toured overseas military bases not too long ago with the ribald musical, "A Funny Thing Happened on the Way to the Forum," and it was a huge success.

There was no reason it shouldn't have been. Not only is the adaption of some of Plautus' plays bawdy, laugh provoking and girl filled, but the production was well planned and well mounted. The touring company had several major obstacles to overcome also, like a quota which forced members of the company to double in more than one role and join the orchestra when not on stage and like a weight limitation which required making the entire set out of canvas so it would fit into trunks which were also used as part of the set. The final result, viewed both before and after the tour, was excellent.

There is nothing wrong with the assumption that what was successful once can work again and a revival of the production as part of the Hilberry's first summer festival sounds logical, especially with the talented Jeffrey Tambor and Paul Stolarsky

recreating their roles of Pseudolus and Hysterium. The result is funny, but it could have been a lot funnier. The restaging is astonishingly sloppy and Wayne is usually quite meticulous about such things. Many of the cast are indulging in careless readings, the production has found no level or balance and there are a couple of disastrous incidents of miscasting, notably Kay Jay, who can't sing at all, as the virgin.

DOWNSTAIRS, in the Studio Theatre, the problem is reversed. David Regla and Don Blakely offer an imaginative staging for Ann Jellicoe's "The Sport of My Mad Mother," and the cast is able too—but the play is worthless. Mrs. Jellicoe may well have been mad at seeing what her daughter produced, a somewhat haphazard blending of techniques and styles, whatever the author thought would fit.

The scene is a vacant lot or junk yard in England where some cretinistic youth are venting the frustrations of the modern generation in all the usual vents. There's a rag picker, unbelievably even less intelligent than the gang members, an American visitor preaching some of the platitudes of social workers, and an ash can musician. Some effort could be made to discuss the wholly predictable theme, but I won't bother, since the message doesn't come across at all, although it isn't hard to guess what it's supposed to be. Suffice it to say that the work is very contrived.

Directors Regal and Blakely, nevertheless gave the work a lot more style than the script entitles it too. There are many imaginative touches—if you can visualize making a production number at once high comedy and deep tragedy out of a home permanent, you get the idea. The cast is more than credible, considering how incredible the dialogue, especially, Maloy Otis Murdock as the American and Nancy Linehan as the leader.

ZERO MOSTEL'S face is a stage all to itself on which you can play a thousand comedies. In "The Great Bank Robbery," another in the current vogue of western spoofs he is a bank robbery masquerading as a parson, Rev. Pious Blue, came to rob the most impregnable bank in the world, the bank in Friendly. This bank was designed in consultation with leading bank robbers and why not since the bank's most important customers are robbers looking for a place to store their loot. Among other things, armed guards live on the premises. You can't go in through the front door, as Akim Tamiroff and Larry Storch, two itinerant Mexicans who repeatedly try to rob the bank, find out, so Mostel sets to work tunneling under the bank. Unknown to him, a rival "gang" headed by Clint Walker is also seeking to tunnel under the bank. He and six Chinese lawmen, in reality secret servicemen, are seeking evidence against the bank's crooked operations.

The pace of "Bank Robbery" is not even. There are too many lulls where parody comes too close to the matter being parodied, but Mostel adds another delightful portrayal to his credits and "The Great Bank Robbery" is decidedly something to laugh at on a summer evening.

"THE GAY DECEIVERS" is such poor taste, it's a definite pity it's so funny. The deceivers are two draftable youths who decide to evade the army by pretending to be queer. When they believe the army is checking up on them there's nothing to do but go all the way with the act and move into a swishy neighborhood.

Their apartment is straight out of Mae West and so are their neighbors, especially their delightful landlord, who decorated himself (herself?). Now they are boxed in a frantic corner between their girl friends and families, for whom they have to put on a straight face in a decidedly unstraight neighborhood, and their gay neighbors whom they feel must be convinced of their credentials or it's hello army.

Fewer subjects deserve less to be made a comedy of than homosexuality, and unfortunately, "The Gay Deceivers" succeeds beyond all expectations. It's so hilarious, there undoubtedly will be a dozen imitations following, all of them in equally poor taste without the redeeming humor of "Gay Deceivers."

Fight Urged Against High-Rise Apartments

TO THE EDITOR:

I'd like to remind all the residents of North Westland to come to the Planning Commission meeting at 7:30 p.m. Wednesday, Sept. 3, at the City Hall. They are having a public hearing on the 10 acres of property located at Farmington Road at Warren, extending to Cowan Road.

This property is zoned for residential and the owner wants to rezone it for high-rise office buildings. Everyone in this area is opposed to this change. Three years ago we fought apartments in the area and now we've got to fight another menace to the community—office buildings. Whatever happened to our Master Zoning Plan? How did all these apartments and offices get into our residential areas? Who wants to live by them?

Only by a show of opposition to this proposal and every proposal that threatens our community can we hope to save our choice residential sites from money-grabbing land owners who want to make themselves a fortune at our expense. They don't live in Westland or give a damn about it. I'd wager to bet I pay more taxes on my home than he pays for his whole ten acres.

Residential it always was and residential it will stay as long as the people care enough for their community to fight this rezoning proposal. Westland residents, let's show we as taxpayers have some rights. If the planning commission speaks for us, they'll vote down the proposal. Put the offices and apartments where they're zoned for and leave our residential land for homes. Please come to the public hearing.

Woman Wants Fair Shake Like That Given the Dogs

TO THE EDITOR:

What protection do we have from dogs on the sidewalks and streets of Wayne? How can we appeal to irresponsible owners of dogs to keep their animals better trained and under control so that it is safe to walk by their houses without having a big, vicious "watch dog" barking and lunging at us at the end of its chain, or dogs escaping from their yards and following us, nipping and barking at our heels?

We have hot weather and "dog days" and strange dogs are to be avoided. How can we avoid a dog which follows us on a public street and won't leave us alone, even though we try to ignore it in the hopes it will go away?

I was bitten by such a dog. Its owner had excuses as to how the dog was running loose, offered to pay my doctor's bill, and I am expected to forget the whole incident as non-essential. No thought was given to the shock and fear I experienced being harassed and bitten by a strange dog, or the 10 days of worry I am going through until tests are made on the dog. I was asked to be understanding. I like dogs and wouldn't hurt one for the world, but if I should carry a club when I walk the streets of Wayne and knock in the heads of dogs that follow me and nip at my heels, in self defense, how much understanding would I get from the owner?

OUR READERS WRITE

McKinney Raps Brown On Son Had No Racial Problem in Romulus

TO THE EDITOR:

Throughout my campaign for Mayor I have been critical of the present administration for its lack of direction and leadership. And I've been critical of the hundreds of acres of industrial land left for weeds while Livonia, Wayne, Garden City and Dearborn Heights grab off the industrial plums.

A letter received by the City Council last week proves my contention that there is no leadership, no initiative coming from the Mayor. Ant it shows—in spite of the Mayor's campaign statements—just why Westland doesn't have enough industry to sneeze at.

The letter was from the Director of the Economic Development Department and the Economic Development Commission, both established by the Council as an administrative department under control of the Mayor.

The Director requests a meeting with the Council "to determine the best manner in which to achieve the objective of attracting industry."

The Director and Commission are appointed by the Mayor. Yet they must turn to the Council for direction on how to attract industry.

Are we asking too much to expect that direction to come from the Mayor? If direction isn't given to our most critical commission and department, what about recreation, paving, road maintenance, city planning, drainage problems, law enforcement?

It's easy to see why everything's at a standstill.

This letter from the Economic Development Department says it all: We need a strong Mayor with ideas and we don't have one. The City's suffering for it.

Eugene McKinney
Candidate for Mayor

Littering on Middlebelt Must Come to a Halt

TO THE EDITOR:

Lots of debris from a local eating establishment has been dropped and scattered along the first two blocks of Middlebelt immediately south of Ford Road. This area being heavily littered includes my front yard as well as a few other houses, also the offices of Dr. W. H. Kern and Dr. Joseph S. Knapp, the Garden City Presbyterian Church, the Church of Christ, the Post Office, library, Masonic Lodge, etc.

It would be nice to see more of the little green litter receptacles (like those along Ford Road) placed along Middlebelt to help stop the littering of candy wrappers, paper cups and so forth. Perhaps our D.P.W. could wire the receptacles around trees or utility poles.

We Middlebelt property-owners have tolerated this littering about five years now. It is time for those concerned to know we want our lawns clean again and not at our expense.

I reckon most of the kids doing this littering probably would like to have some place to put their trash when finished eating. A lot of them no doubt are respectable and would want their own front yards kept clean too.

Spraying of Trees Helps Wayne City Residents

TO THE EDITOR:

I would like to thank the Wayne Department of Public Works, the City of Wayne, for spraying our lovely maple trees, to save them from Cottony Maple scale. Ours was badly infected with this ugly destructive pest.

So thanks, fellows. We have a grand little city, in case some of you haven't noticed!

Mrs. G. Sackett
Wayne

TO THE EDITOR:

In answer to your editorial which appeared in the July 23 issue, here is one set of parents among many others in this little segment seeking to pull away from the Inkster Public Schools.

If some of the reporters would check on some conditions which exist in the IPS, perhaps someone would straighten out a mess which has existed for years. We have been to school board meetings, and heard all about "social events, sports events and borrowing money."

Parents are refusing to send their children to school when all that happens are fights, book throwing, knifings, etc. The administration is well aware of this. Education is forgotten for "social activities."

My son never had a "racial" problem at all until he attended Fellrath Junior High and Inkster High School. He attended Romulus and had many colored friends. Now he is very bitter because of the cruelty, etc.

The records in Inkster High School are so out of date, they do not know who goes there and who doesn't or if a student is in school or not. This is not the way to run an office.

Remarks have been made about the north side not being represented at Board meetings. Have you ever questioned the people why they do not attend? Where are your reporters at these Board meetings? They come only when asked.

Mr. and Mrs. Bernard Green
Inkster

(Ed. Note: Since the Inkster editor must be at the print shop at 8 p.m. on Tuesdays to supervise the make-up of pages, it is often impossible for this person to cover Inkster and Cherry Hill Board meetings, which are both scheduled for Tuesday nights. When we know that something will take place on that evening that should go in that week's paper, we make a special effort to see that someone is there, but this creates a hardship on other staffers. We are constantly working to improve this situation, although we cannot promise that the Inkster reporter will cover every meeting.)

Why Doesn't the City License Cats?

TO THE EDITOR:

We would very much like to know why it is not necessary to license cats. Upon calling the police to report numerous cats in our yard, we were told we'd have to catch them and bring them to the station. The officer said it isn't possible to license cats because they can't be confined. That's ridiculous! If our dog didn't stay in our fenced yard, it would be mandatory to chain her, therefore it's about time people start chaining their cats. If cats had to be licensed, it would discourage people from keeping so many of them. There are people in our area that throw their cats out at night because they make too much noise in the house.

These cats run wild, doing their business in OUR garden, OUR sandbox, OUR shrubs and OUR garage! Screeching and fighting under our window at night! And mating as frequently as nature allows, thereby adding to the cat population! During the day, they crawl around our garage rafters, and two years ago, one jumped from the roof of our car to the storage boards above, upsetting a box of automobile parts, permitting a generator to go through the windshield of our station wagon.

This spring, a pair of Cardinals built a nest in a low tree in our backyard. We, and our children, have had such enjoyment watching these lovely birds. Saturday morning we arose to find an ugly cat in our yard. The Cardinal was no longer on her nest. An investigation showed that the nest had been destroyed. In its remains were two dead, fully developed baby birds and one partially hatched. That same cat was in our yard again this morning, in that tree! We have our yard fenced and nobody's animals have any business in OUR yard!!!!

Our Boston Terrier never leaves our yard, doesn't do her business in other people's yards, and doesn't keep our neighbors awake at night, and yet, we must purchase a license for her annually, plus we must produce proof of rabies vaccination. This is all well and good, but what about cats? Are they germ-free? It's certainly time we get some kind of "cat control" laws in this city. And may we add, we are not alone in feelings.
